

J.P. TARAVELLA DRAMA CLUB

- Our drama club produces several shows per year, in the South Florida Cappies program, and hosts a variety of fun annual events!
- We hold general meetings once a month in addition to hosting activities and field trips!
- Our club is a safe and inclusive space for students to refine their craft in addition to exploring and expressing their creative selves.
- If your interests include working behind the scenes, performing onstage, or just making new friends, Drama Club is the place for you!
