

Film and Technology Association

-We aim to educate and train students in the Film, Television, and Multi-Media Industry through gaining community service hours.

-Members are exposed to the industry, equipment, internship programs, professionals, and careers to expand their knowledge in the field.

-Provides an outlet for students to express themselves creatively outside of the classroom and create friends along the way.

Meetings are held on Mondays from 3:40-5:00

Receive scholarships to attend summer programs such as: UF CJC SMI and SCAD Summer Seminars
