# Prowls N'Growls

Hello November!

This is a busy time of the year and days really go by quickly. We have been very busy with a lot of activities in October. The second quarter of school just ended and report cards will be coming home soon. This year we will be printing hard copies to send home with students. You will also have access to them via Virtual Counselor.

We are thankful! As we prepare to take a short break from school for Thanksgiving, we want to express our gratitude for everyone who makes it possible for our students to come to school every day, on time, ready to learn.

Your support is appreciated more than you know.

In Media, Kindergarten and 1st Grade students have been learning about taking care of books and online safety. We are now reading a variety of versions of "Three Little Pigs" so we can compare and contrast the stories. We are also designing and building better houses for them!

Additionally, we are working on typing and research with grades 2 through 5. They have practiced responding to discussion questions in Canvas as well as used typing games to start learning the various keys on the keyboard. Now they are learning how to find ebooks through Destiny Discover, gather information from the books, and create a PowerPoint about what they have learned.

Assignments are leveled for each grade as well.

*Between November 28, 2022 and April 28, 2022, CHE students in grades K-5 will be provided with developmentally/age appropriate curriculums concerning Substance Use Disorders and Setting Safe Boundaries. The curriculums are provided by the Broward County Public School District and will be delivered to K-5*
