## Food Allergies

If your child has a food allergy, we MUST have a current doctor's note on file each school year. If the allergy requires a cafeteria food substitution, the note must clearly state what the replacement item should be.

## Medications

If your child needs to take medication at school, please bring the medicine with a completed Authorization for Medication Form signed by the doctor to the front office. The nurse will receive the medication & forms.

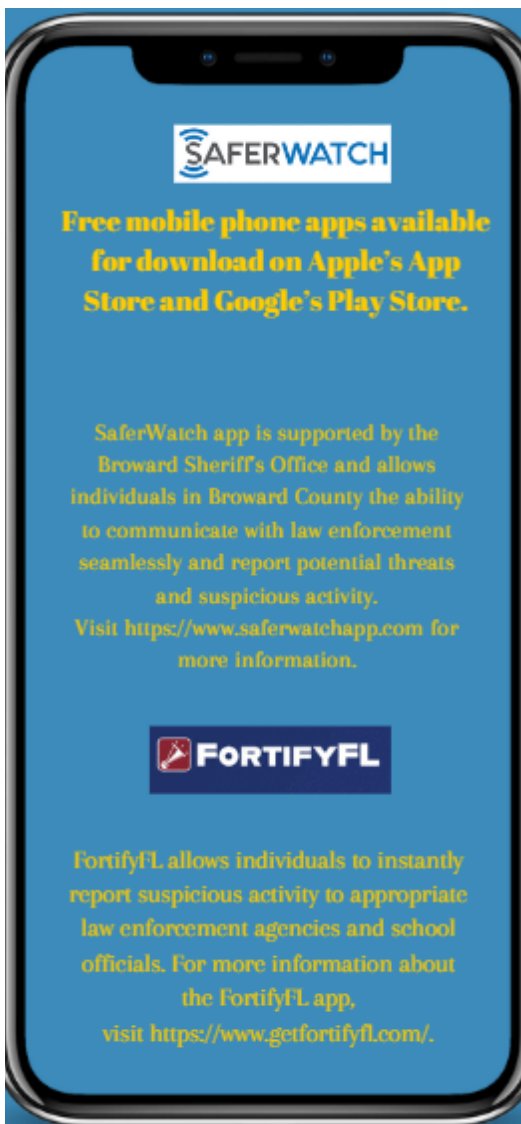

Mark your calendars!  
Details and Activities to come!

# RED RIBBON WEEK

Red Ribbon Week, October 23-31

Red Ribbon Week is the nation's oldest and largest drug prevention program and reaches millions of Americans each year from October 23rd to October 31st in thousands of schools, communities and drug abuse prevention organizations. The [Red Ribbon Anti-Drug Campaign](#) is a community's response to tragedy to honor Special Agent KiKi Camarena's memory and visibly show a dedication to avoid drug abuse.

## Safety Patrol

Congratulations to our September Safety Patrol of the Month! Lilyana, from Mrs. Spran's fifth-grade class is always willing to lend a helping hand to all of our students and staff. Keep up the great work Lilyana!

Our 2nd graders have been extremely busy getting to know each other and building our classroom community! Always exhibiting Kindness is our new #1 goal! Our new adventures include students learning our new classroom routines, expectations, getting to know their new friends, and showing responsibility with their materials. In addition, students are learning about Plants and Animals in Their Habitats in Benchmark Advance and racing to learn their basic math facts through 20, working with even/odd numbers, building arrays! We also had an awesome adventure learning about the Constitution and the 3 Branches of Government. Our second graders are definitely on a journey to success!

## MUSIC NEWS

In music special, students are going to be learning about the different genres of music. Our younger students will be listening to examples of different genres to determine/learn which instruments are used. They will also learn the names of the various genres. Our older students will be listening as well, but will be identifying the elements of each genre on their own. All students will learn about an influential musician who made an impact on their genre.

## Greetings!

Make Our Schools Safe (MOSS) is a 501(c)(3) national non-profit organization dedicated to protecting students and teachers at school. Formed in the wake of the tragedy at Marjory Stoneman Douglas High School where I lost my beautiful daughter Alyssa Alhadeff, our mission is to empower students and staff to help create and maintain a culture of safety and vigilance in a secure school environment. It goes without saying that our diligent work to create safer schools cannot continue without the generous support of our donors.

On October 21, 2022, Make Our Schools Safe is hosting our 2nd Annual MOSS Golf Classic. **I am writing you to request your support for one of our largest yearly fundraisers. Would you be willing to donate to be a sponsor?** Scan the QR Code below to view our available sponsorship opportunities to find the perfect fit for your organization.

Your donation will go towards helping Country Hills Elementary School's safety project. Your company's name will be featured on our social media accounts and widely showcased at our MOSS Golf Classic. With a combined social media reach amassing over 20,000 followers, this is an excellent way to gain brand exposure and new customers. If you would like to speak further about this sponsorship, feel free to reach out to me at (609) 335-8226 or [lori.alhadeff@makeourschoolssafe.org](mailto:lori.alhadeff@makeourschoolssafe.org).

Thank you in advance for your contribution. I look forward to working with you further!

Sincerely,

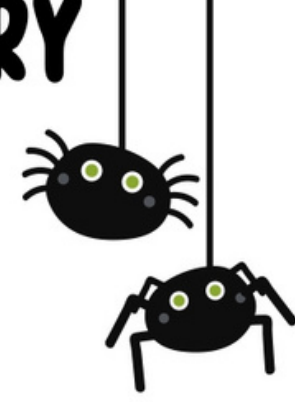

Lori Alhadeff
