

SENIOR PRIVILEGE REQUIREMENTS

Juniors MUST have all the following by the end of First Semester:

- Minimum of 16.5 credits earned -Minimum Weighted GPA of 3.0 or above (no rounding)
- Met both the Reading and Math Test graduation requirements (Concordant scores and/or waivers apply)
- Have met the service hour requirement (40)
- Have earned full credits in: English 1 & 2, Biology, one additional Science, and World History
- Have earned half credits in: English III and one additional science.
- For Math credits, students must be on track to graduate.

Please know that students are required to maintain their "on track" to graduate status, at all times, as well as have no discipline issues in order to continue senior privilege.

Under this option, students will be allowed to drop the study hall class. The empty slot will fall in periods 1, 4, 5, or 8. If the empty period falls in period 1 or 5, the student will be allowed to start their school day the second block (Period 2 or 6) of that day without signing in through Student Affairs. If the empty period falls in period 4 or 8, the student may leave after the third block (Period 3 or 7) without signing out through Student Affairs.

Please understand the following:

1. Students are responsible for their own transportation to/from school.
2. This does not entitle students to a parking decal.
3. Students are not able to choose the period off and may not remain on campus during that period.
4. Students are not able to choose the assigned lunch.
5. This is only an option: students may choose to take all 7 classes plus the Study Hall class.
6. Must be enrolled at WBH and meet all requirements listed above by April 1st 2025 to qualify.
7. Understand that this is the only time to qualify. Students will not be considered at any later dates.
8. The privilege can be revoked at any time if the student's status changes.
9. The decision to use this option is a FINAL DECISION! Changes will not be made, regardless of the reason, after the student acceptance form is submitted.
