

# PROWLS N' GROWLS

Spring is almost here! The weather is starting to warm up and so are the activities at Country Hills! These last few weeks have been busy with February fun, 100th day of school, Day of Service and Love and getting our 5th graders oriented to what middle school will look like next year. We have just a few more weeks before we head off into Spring Break and so let's try to keep our students in school and focused on learning.

As the fourth quarter quickly approaches, make sure you are aware of your children's academic progress and expectations for promotion. If you have not had the opportunity to meet with your child's teacher, please reach out and schedule a conference.

Communication is the key to your child's success!

We also have our FAST test coming up throughout May for grades 3-5 as well as STAR test for grades K-2. More information will be forthcoming on the dates for these assessments.

March is Florida Bicycle Month!

March is Florida Bike Month, and now more than any time in recent history, we have reason to celebrate it. More and more people are getting back on their bikes and realizing that one of the best ways to get around is on two wheels.

*Get out of the car line and get on your bikes*

With so many of us working remotely, it's the perfect time to make riding to school with our children a habit. Even if you can't do it every day, commit to a day or two each week to ride with your child to and from school instead of sitting in the car line. Not only is it good for everyone's health, these little moments together are priceless.
