Social Worker's Corner

Have you wondered about the role of the school social worker and how I can help your child and family? Read below!

I collaborate with school staff, parents, and community agencies to remove barriers to academic success. I assist with attendance concerns you may have with your child and can connect you with truancy prevention and services. I link students and their families to mental health, medical, and social services. I can provide your family with food, clothing/uniforms, shoes, school supplies, and other necessities.

Please reach out and email me directly at Marnie.Chapman-Lang@browardschools.com. I am here to support you!

Thank you!
Marnie
