PTA & OTHER MISC. NEWS...

Attention Parents

Instruction starts promptly at 8:00 a.m. when the school bell rings. Please help us by ensuring students are here on time so they can be in their classrooms by 8:00 a.m. ready to learn. Establishing good work habits, like being to school on time, are essential for the success of every child. Thank you for your assistance.

Literacy Corner

Building Your Child's Vocabulary

A great way to help build your child's vocabulary is by playing the game "I'm Thinking of an Object". This game may be played while eating breakfast/lunch/dinner, in the car, or just about any time you have a few moments.

The questioner may ask up to 10 questions to figure out the object. The questions must be answered with "yes" or "no".

Examples:

-Is it alive?

-Can you find it in a house?

-Is it bigger than a car?

If the questioner can guess the object in 10 questions or less, he/she receives a point. Once the 10 questions are asked, repeat the game with the other player thinking of an object.

Enjoy!

Did you know not everything can go in your trash can? Certain items must be disposed of at a special site, so they don't pollute our water supply. Items such as paint, old cleaning supplies and other chemicals must be properly disposed. Also, electronics (old cell phones, computers, TVs, etc) need proper disposal. Cooper City residents can drop off items for proper disposal Saturday, December 8, 2018 at 4400 S. State Rd 7, Davie, FL 33314-2110. See link below for more details of what is accepted and other dates.

FFEA is having our Annual Toy Drive. This will take place on December 5th, 6th, and 7th. The toys should be unwrapped. The toys will be delivered to one of our sister schools, Walker Elementary. Our goal is to be able to give each child a new toy for the holidays. Drop off your toys at the front or back gates on December 5th, 6th, or 7th.

Embassy Creek Elementary Celebrates Computer Science Education Week

Through November 29th- December 7th, students in grades K-5 will get an introduction to computer science by participating in the Hour of Code. The Hour of Code began as a one-hour coding challenge to give students a fun, first introduction to computer science and has become a global learning event, celebration, and awareness event.

Students will work on activities for Hour of Code on <https://code.org/learn>. HourofCode.org offers hundreds of one-hour activities in over 48 languages for kindergarten and up. Activities require no experience and can be run on computers, Android devices, tablets, smart phones - some don't require any technology at all.

Students can further their learning at home with activities on Beyond an Hour at <https://hourofcode.com/us/beyond>, on Code.org through their Broward SSO or through Khan Academy.

Healthy Eating Habits Through the Holidays

The end of the year is so exciting! Family and friends gather to celebrate and eat good food.

- Don't forget that despite the season, eating vegetables and fruits is very important.
- Did you know that sweet potatoes are creamy and delicious? Like other orange vegetables, they are good for your eyes.
- Leafy greens are the healthiest foods on the planet. They help our bones, and our bodies be strong.

Cub Scouts is for both boys and girls now for children in K-5th grade. Please come join us and learn more at our holiday event Tuesday, December 11th at 6 p.m. for light refreshments and games. For location details and to RSVP, please email jemmaemmanuel@gmail.com or (954) 324-0606.

Congratulations to our cafeteria manager, Melissa Franklin, and her team for a job well done. During a recent audit, Embassy Creek's cafeteria received outstanding reviews. We THANK them for providing a nutritious breakfast and lunch with many choices each day.
