## Title 1 School

Stephanie Mathieu, Co-Chair  
Jennifer Godbey, Co-Chair

Cheryl Hernandez, Secretary

### *December 19, 2018 · 7:30 am · Media Center*

### **Meeting Agenda**

Mrs. Mathieu  
Mrs. Godbey

Welcome  
I-Ready Diagnostic Testing

Good morning and welcome to the School Advisory Forum. We would like to begin by first giving you some information a program that we use here at school called I-Ready. It is a Math and Reading enrichment and remediation tool used in grades Kindergarten through Fifth. We have just concluded our second diagnostic test which compares data from the beginning of the school year to where they are currently at academically. This information will be shared to both students and parents by the child's teacher. We use this information to track student progress and remediate standards and skills as necessary.

Mr. Schneider

I-Ready Diagnostic Assessment  
I-Ready Usage Over Holiday Break  
Broward Assessment Testing (BAS Testing)  
Grade 1 Tablets

Good morning and thank you for coming. As previously mentioned by Mrs. Mathieu Mrs. Godbey, the I-Ready Diagnostic Assessment has just wrapped up I am proud to announce that it has been completed 100 percent by all grade levels. Results are forthcoming. We strongly encourage all of our students to make sure that over the Holiday break, are using I-Ready and making sure to meet the 45 minutes requirement every week; that means 45 minutes in Reading and 45 minutes

in Math as well. Data has shown that this program is very effective at targeting students and remediating necessary skills and/or providing more rigor for those students that are working above grade level. I-Ready targets students individually based on their academics.

BAS Testing has also concluded with 100% completion as well. This allows us as your administration and the classroom teacher as well to know in Reading what your child's Independent, Instructional and Frustrations levels are.

As mentioned at our last meeting, Grade 1 tablets are in the process of being ordered and distributed to each 1<sup>st</sup> grade classroom teacher.

## Upcoming Dates

12/18	Holiday Concert, 6pm
