- Meeting begins @ 2: 30 pm
- Review previous minutes – minor grammar/spelling changes
- Smart Bond update – roof approx. 98% complete, final checks occurring now – new process since initial build 20 years ago, should be finished by around Feb 2020, possibly could move faster when campus was closed in spring, formal report when project completed. HVAC system update complete and working well, quieter, more constant working, large facility – two units, quieter for neighborhood as well
- Safety and Security updates – Mr. Tillinger – new cameras – smart cameras – inanimate vs animate movement, amazing clarity, super enhanced digital image, and sound, stored onsite and downtown, a couple terabyte harddrive, no more VHS tapes! Security team came from district and camera company SRO and security monitors and admin walked the campus to identify blind spots, now will be receiving more cameras to cover those blind spot areas
- Updates and concerns: Rafael in touch with golf cart contacts, not looking to donate, continuing to look for a lower cost/donate

Mrs. Hines – calendar updates, winter break Dec. 21-Jan. 1, Jan. 4 return, Jan. 7 Early Release, Jan. 8 is now a regular school day

Next SAC meeting is Jan 11, 2:30 PM – also mid-year assessment for iReady date

- Happy holidays

- **SAF – informational meeting: 2:52 PM**
 - Ana Carrasco – information students struggling with virtual learning, parents will be contacted to recommend coming back to face to face learning, sign waiver if choose not to come back, over 20,000 vs 8,000 failing students according to report cards across the county
 - Mrs. Samuelson – in-person vs virtual at school question how will it look? Mr. Tillinger says particulars still being discussed by board, updates coming soon
 - Rafael asks and Mr Tillinger answers that we are still about 20% in person, by choice in person at this time, vaccinations in our state as of today, may start to change in-person population soon perhaps

- Mrs. Schneider ends the Teams meeting at 3:06 pm.
