Chelsey Samuelson (2:35 pm)

Meeting was called to order at 2:31 pm

**Agenda**

The statement that is required on all School Board communications was added to the agenda by Mrs. Schneider.

Mrs. Schneider explains that this is an informational meeting since we are not voting at this time.

**Previous Minutes:**

Previous minutes were reviewed.

Participants were given time to review the previous draft minutes.

Mrs. Schneider opens the floor for approval.

Draft minutes were approved.

**Safety and security:**

Mr. Tillinger explains that the work on the roof is on path to completion. He had a meeting with people from the district. The roof is on the inspection phase. The new roof is waterproofed, and we should have no roof issues in the next 20 years.

Mrs. Schneider commented that we didn't experience any flooding issues with the recent rains.

Perimeter fence is still in the work, but hopefully it will come to completion soon.

Safety Drills will continue to take place in school. So far, drills have been successful.

We received a radio signal enhancer. Previously, the radios got a static sound when they were used in the far end of the school. That is not happening anymore. We can communicate from farther away with a clear signal. A repeater was installed in the perimeter of the school to enhance the signal for the radios.

**Updates/Concerns/Comments:**

Participants were offered time to bring up any comments or concerns.

Since there are no comments or concerns, this informational meeting is adjourned at 2:44 pm.
