Your teacher is a special part of your life. Show your teacher what they mean to you during this special week. Please feel free to express yourself however you would like. Here are some suggestions:

- Take your teacher's name and use words describing them with each letter.
- Example: Smith. S-Super M-Magical I-Incredible T-Talented M-Marvelous
- Create a Thank You card or poem telling your teacher how special they are to you.
- Make or buy a flower for your teacher.
- Make an Award for your teacher. What do they do that makes them stand out?
- If you could give your teacher any gift in the world, what would it be and why? Draw a picture with your idea. Share with your teacher.

Teacher Requests

A great deal is involved in the process of deciding placement for students for the next school year. There are many factors involved, such as required District models and the needs of individual students. These many facets are taken into consideration in order to make sound decisions when creating classes. Because of the great care that is taken, requests for specific teachers will not be granted. If you would like to have input into a specific type of teacher who you feel would best meet your child's needs, please send your request to Administration with a letter discussing your child's needs and the strategies you feel would be most suitable addressing your child's learning style. All attempts will be made to honor your request.
