**For your child's safety, ALL visitors MUST check in and receive a visitor's pass.**

## **From the Principal's Desk:**

The second quarter of the school year is well underway and our students and staff are working hard to achieve this year's goals...learning gains. By this time, your child(ren)'s teacher(s) should have communicated what your child can do, but most importantly what they cannot yet do with proficiency. Teachers and staff learn this through instruction, practice and application in a variety of ways. As we monitor the progress of individual students, classrooms, grade levels and the entire school, we are able to differentiate the instructional focus through tiers of learning. At any time, please contact your child(ren)'s teacher(s) or any member of our literacy and curriculum team to discuss your progress.

Last week, we had three family events at our school. The first was our Coffee and Comprehension learning opportunity where a handful of parents learned more about Number Sense in Mathematics. Mrs. Dorman provided resources and parents were able to navigate through their child's single-sign-on. Next month's Coffee and Comprehension will take a look at STEMScopes, our new Science series and is scheduled for Tuesday, November 27<sup>th</sup>. Last Wednesday evening, hundreds of children and families enjoyed PTA's Annual Boo Bingo! It is always wonderful to put the regular night's routine aside and come together as a community of learners. Thank you to our PTA! On Friday, principals and administrators from all schools within our zone (Quiet Waters Elementary, Winston Park Elementary, Lyons Creek Middle School and Monarch High School) met at Tradewinds to share our newest safety and security measures. Thank you to all in attendance and we look forward to future innovation zone meetings/events.

It's essential that all Tradewinds staff be able to enter the school campus, park and report to their responsibilities. We are asking parents and visitors to utilize either the designated "Visitors" parking spaces closest to the courtyard area, the two most southern areas of the parking lot and/or the city's parking lot just west of campus. We have been notified by the fire and safety departments not to utilize the bus loop to drop off students under any circumstance during the arrival window. Supervision for students is also offered beginning at 7:20 a.m. via the car line. Finally, please refrain from parking at Emmanuel Baptist Church and U-Haul (located on the north side of Johnson Road).

At Tradewinds, our staff offers multiple opportunities for extended learning and enrichment: Debate, Creative Writing, Environmental Club, Safety Patrol/Youth Crime Watch, Math Team, Performing Groups (Emeralds, The Panda Girls (Mandarin) and Trade, Wind and Fire), Peer Mentoring Programs such as Awesome Buddies and more. This year, we are increasing these opportunities as we plan for our new after school, enrichment program called E.L.O.P. We are excited to offer a variety of visual, physical and performing arts...all coordinated by our teachers. Specific details about E.L.O.P. and our first round of courses are forthcoming. Stay tuned!

November is the month that our nation formally recognizes Veteran's Day. On Thursday, November 13<sup>th</sup>, all students will enjoy an assembly and our school will roll out the "red carpet" to our heroes. Students will have the opportunity to interview our guests and learn about American history. Mrs. Dorman and our student council will send invitations and RSVP forms. It's our honor to welcome you and look forward to celebrating each of you in person.
