For your child's safety, ALL visitors MUST check in and receive a visitor's pass.

From the Principal's Desk:

Welcome to November! Thank you to all the parents who attended our first Read and Rise Family Conversation facilitated by Title 1 staff: Theresa Taylor, Shedelyn Nicolas and Cecelia Pacheco. The presentation provided great skills and strategies to assist your kindergarten through second graders and engage in meaningful conversations about the importance of story telling. Those in attendance also received books to enhance their home libraries. We look forward to planning more parent learning opportunities in the near future.

PTA's Boo Bingo was a great success and it was a pleasure to see so many of our children and families enjoying dinner, bingo and to see the latest and greatest costumes. It was a fun evening for all who attended!

Upcoming Events: 11/8 - Veteran's Day Celebration, 11/13 - Report Cards (K-5) issued, 11/14 - Makeup Picture Day and School Advisory Committee (SAC), 11/18 - PTA General Meeting and Advisory, 11/19 - Interim Reports Issued, 11/26 - Coffee and Comprehension

The Broward Standards Assessment (BSA) is scheduled for after winter recess. This progress monitoring assessment is essential as it lets us know what our third, fourth and fifth grade students can do, but most importantly the differentiated instruction necessary as we make changes to the instructional focus. The BSA is an indicator of how children may perform on Spring's Florida Standards Assessment (FSA). Please plan accordingly.

January 14th and 15th - BSA ELA Reading (Grades 3-5)

January 21st and 22nd - BSA Science (Grade 5)

January 28th and 29th - BSA Mathematics (Grades 3-5)

Food and Nutrition Services will serve their Thanksgiving Luncheon on Thursday, November 14th this year to students and staff. Some teachers may have planned fall-type of academic centers or sharing/harvest activities around the meaning of Thanksgiving. If so, they may have requested for a few approved volunteers to assist either before or after the children eat lunch. For those approved volunteers invited to assist, please remember that non-school aged children are not permitted in the classrooms for safety and security reasons. Unfortunately, we had to suspend opening our doors to the public to join us for this luncheon.

Our salute to our country's veterans will take place on Friday, November 8th at 9:00 a.m. Our student government has organized an exciting program and we will be talking about being brave and having courage throughout the week. We will wear red, white and blue for the occasion. We are all looking forward to a memorable day of learning.

Congratulations to all of our students listed on page 2 of this Eagle for demonstrating responsibility. Keep up the great work!

If you need assistance in reading or understanding this newsletter, please call the school.

Children who eat breakfast perform better in school, have more energy, are better behaved, and are less likely to overeat at other meals.
