Mr. Michael A. Breslaw, *Principal*
Dr. Ingrid Osgood, *Assistant Principal*
Mr. Peter Policastro, *Assistant Principal*

Monday
October 7, 2019

For your child's safety, ALL visitors MUST check in and receive a visitor's pass.

From the Principal's Desk:

On Monday, October 21st, our PTA has joined administration to bring a BMX Bicycle Show to Tradewinds as kickoff to Red Ribbon Week. Students will enjoy the action as well as the powerful messages to "always do the right thing." Throughout that week, there will be many other activities...including theme days. Please stay tuned in for the schedule. Monday, October 21st will be Wear Red Day. Then on Wednesday, October 23rd, our STEM teacher Ms. Putney along with other Kindergarten through Second grade staff will present our K-2 STEM Science Night. Please join us at 6:30 p.m. for a fun-filled, hands-on and scientific problem-solving learning opportunity. It's also a great time to see our STEM laboratory!

Please join us this Thursday for our School Advisory Committee (SAC) as we discuss the use of our accountability funds. We will be discussing and voting on the purchase of necessary curriculum resources to support our school improvement goals. It's also a great time to meet administrators, teachers, paraprofessionals and parents. Other October events include 10/14 - School Lunch Week, 10/17 - Early Release Day and End of Quarter 1, 10/18 - Employee Planning Day, 10/21 - School Advisory Forum (SAF) and PTA Meeting, 10/21 - Red Ribbon Week Kickoff with BMX Bike Show, 10/23 - STEM K-2 Night, 10/25 - Grand Opening of School Store (Save and keep earning your "Eagles Bucks"), 10/29 - Coffee and Comprehension/Cafe y Comprehension and 10/29 - PTA's Boo Bingo Event.

At Tradewinds, our staff offers multiple opportunities for extended learning and enrichment, Debate, Creative Writing, Environmental Club, Safety Patrol/Youth Crime Watch, Math Team, Performing Groups (Emerald and Trade, Wind and Fire), Peer Mentoring Programs such as Awesome Buddies and more. This year, we are increasing these opportunities as we plan for our new after school, enrichment program called E.L.O.P. We are excited to offer a variety of visual, physical and performing arts...all coordinated by our teachers. Specific details about E.L.O.P. and our first round of courses are forthcoming.

It's essential that all Tradewinds staff be able to enter the school campus, park and report to their responsibilities. We are asking parents and visitors to utilize either the designated "Visitors" parking spaces closest to the courtyard area, the two most southern areas of the parking lot and/or the city's parking lot just west of campus. We have also been notified by the fire and safety departments not to utilize the bus loop to drop off students under any circumstance during the arrival window. Supervision for students is also offered beginning at 7:15 a.m. via the car line. Prior to the courtyard doors opening at 7:30, all students and parents are asked to please keep the sidewalk as clear as possible so that staff can enter the building. New signage and direction from our security team will be shared shortly.

For all who celebrate, Yom Kippur begins at sundown tomorrow evening and school will be closed on Wednesday.

If you need assistance in reading or understanding this newsletter, please call the school.

Calendar of Events:

Oct. 7 FTE Week
Fire Prevention Week
Oct. 9 No School
Oct. 10 2:20 pm SAC

Bedner's Farm – Gr. 2
Oct. 17 12 pm Early Release
Oct. 18 No School

Fire Prevention Week – October 6 - 12

This year's FPW campaign, "Not Every Hero Wears a Cape." How do you define a hero? Is it a person who is courageous and performs good deeds? Is it someone who comes to the aid of others, even at personal risk? A hero can be all of those things. A hero can also be...someone who takes small, but important actions to keep themselves and those around them safe from fire. When it comes to fire safety, maybe you're already a hero in your household or community. If not, maybe you're feeling inspired to become one. It's easy to take that first step - make your home escape plan!

For more information visit: www.nfpa.org/fpw

Mark Your Calendar for S.T.E.M Night

Science • Technology
Engineering • Mathematics

Families will have an opportunity to work together to explore and creatively solve problems.

Kindergarten – Grade 2

Wednesday, October 23, 6:30 – 7:30 p.m.

Please RSVP to the invitation going home tomorrow so we can plan accordingly.

🍏 Character Education 🍏 Responsibility

Responsibility is the character trait for October. Responsibility is meeting obligations by being reliable, accountable, and dependable to self and others. Students can practice this when they ...

- have all the "tools" needed to do their school-work (dictionary, pencil, paper, planner, etc.)
- accept the consequences of their behavior.
- study for tests
- get along with teachers and other students
- resolve conflicts peacefully.
- arrive to school on time everyday. It helps if they get everything ready the night before.

Save the Date: Friday, November 8 Calling All Veterans and Soldiers!

You are cordially invited to attend our Veteran's Day Patriotic Assembly on Friday, November 8th at 9 a.m. We hope to see parents, grandparents and family members. We are looking forward to our students meeting you. Please call the office to let us know if you will be attending.

More than Books at the Public Library

Free Online Homework Help is available at www.broward.org/library, click on e-tutor, or call 954-201-2626. Parents must first visit the library to register their children in the program. Find out what program your neighborhood library has:
