

Broward County Public Schools

Parent Permission Refusal Form

Our school is participating in Customer Service Survey sponsored by Broward County Public Schools. The survey will ask about the health behaviors of 6th through 12th grade students. The survey will ask about unintentional injuries and violence, as well as use of and attitude towards tobacco, alcohol, and other drugs. Students will be asked to fill out a survey that takes about 20 minutes to complete. Doing this on-line survey will cause little or no risk to your child. The only potential risk is that some students might find certain questions to be sensitive. The survey is completely anonymous. For the survey results to be accurate, it is important that all students, regardless of whether they have engaged in health-risk behaviors, are given an opportunity to participate in the survey, but the survey is voluntary. No action will be taken against the school, you, or your child if your child does not take the survey. If you would like to see the survey, a copy is available <https://www.browardschools.com/Page/32846>. Please complete the section below and return it to the school within 3 days only if you do not want your child to take part in the survey. If you have additional questions about the survey that your child's teacher or principal cannot answer, please e-mail prevention@browardschools.com. Thank you.

Please read the section below and check the box only if you do **NOT** give your child permission to complete the Customer Service Survey. This form must be signed and returned to the school within 3 days to decline participation. If you have any questions or wish to review the instructional materials, please visit <https://www.browardschools.com/Page/32846>.
