

# CORAL SPRINGS I-ZONE PARENT AND COMMUNITY MEETINGS

## What is it?

Our Coral Springs I-Zone Parent and Community Meetings are an opportunity for stakeholders to come and learn about our fabulous I-Zone. Coral Springs High and Forest Glen Middle are the feeder schools for Park Springs, James S. Hunt, Forest Hills and Coral Park. The I-Zone Meetings provide an opportunity to learn about Coral Springs High, Forest Glen and the awesome things happening at our elementary schools. We hope that you join us for the I-Zone Meetings and attend the evening events that follow our I-Zone meetings!

*Our goal is to empower our students to  
approach their future with confidence!  
We aim to make dreams a reality!*
