As a parent myself, I understand the trust that you place in us to care for your most valued possession, your child(ren) during afterschool hours. And as such, I'd like to take this opportunity to tell you a bit about my personal and professional life.

Regarding my personal life, I am a native of South Florida, a husband (married for 11 yrs), and a father of two (boy and girl). As far as my professional career is concerned, I have a **Bachelor of Science (BS)** degree in *Music Education*, a **Masters of Science (MS)** degree in *Interdisciplinary Arts*, an **Educational Specialist (Ed.S.)** degree in *Curriculum Instruction Management & Administration*, an **Elementary K-6** teaching certification and a **Music K-12** teaching certification for the State of Florida. Furthermore, I have been a classroom **teacher** for **8 years** as well as a **program director** for **7 ½ years** and my passion is toward youth, the Arts, curriculum development, and the field of education.

In closing, please know that I am a strong male role model who will care for and protect the students of the Eagle Point Elementary afterschool program as if they were my own.
