- Meeting Times Concerns /Suggestions

Get more people attending the meeting. Maybe a different time for February. Maybe try an earlier time for the SAC meeting? In the flyer for next month is already 5:30pm, so we will leave it in February at this time. Many would not be able to attend meeting right after school. Kim / Danielle approved for the time.

**Principle message:**

Tutoring is starting in the near future for 3<sup>rd</sup>. and for 4<sup>th</sup> and 5<sup>th</sup> later. It will be called camp. Also an enrichment camp.

Accountability Fund Request \$2000.00 ELO Tutoring. He is requesting \$2000. He needs a vote tonight. Kim makes a motion. Question: How will the kids be chosen for the tutoring? Letters already got home to parents for chosen kids. ELA camp for 1<sup>st</sup> and 2<sup>nd</sup> grade. Chosen because of language barrier and academic level. Last group will be chosen with higher academic level. They don't want to big classes. Will this money taken away from something else? No. Second motion Michelle Gilbert. 100%

- Recognition Fund Request \$500.00 Staff Appreciation Week

A+ fund: If the letter goes up, school gets money. We need to vote where this money goes. He can not access this money before approved. He would like to give it back to teachers. In the future this SAC committee can vote how to spend this money. This money was left over from previous administration. Kim first motion, Francis 2<sup>nd</sup>. 100%

- Broward Standards Assessment Process

It started with science last week and this week reading. It is an online test to access where students stand. To see what needs to be target until the FAS tests. It won't get graded. It is a beneficial data for the teachers. It worked very good. The testing experience is simulated for the BSA.

- Beautification date: February 29<sup>th</sup>, Saturday. It is a community service. PTA started a fund. Goal of Mr. C is \$2000. Dr. Morales is working on it, too. We need materials for this day. And volunteers.
