SUMMER ASSIGNMENT

If at all possible please purchase a 2018-19 AP. World History review book for the A.P. exam. The investment is well worth it if you pass the exam which is a \$3,000 savings at college. If you are not able to purchase one I have older versions available for free in room 1026. Your assignment for the summer is to complete the period from 1450CE to 1750CE. You will take a test on this period of study the 1st week of class. It is also necessary for you to review the essay practice in your review book. An LEQ essay, a SAQ essay, and a DBQ will be completed in class also at the end of the first week. The questions will apply to the same time period that you are responsible for. It is very important for you to practice these essays in order to be prepared for the class. There are many available on line on YouTube or A.P. Central. Remember this is a college level class and homework is essential to your grade. The tests for this class are very difficult and are curved to the best grade in each class. Preparation on a daily basis is necessary to maintain a good grade. This class involves an important commitment so be prepared to work hard. I look forward to a successful year and will do all I can to help each and every one of you succeed.
