

## **AP Statistics**

Use the following link to join our Khan Academy class section. Complete all assignments by the first day of class. Do not lose your Khan Academy login and password. We will be using this class section all year. The class code is BTCXSDTB, and the link should automatically take you there.

When you first sign in, you may not see assignments yet because assignments need to be approved for each new member that joins. After you join, check back a day or 2 later and the assignments should show up. There are a total of 2 videos and 3 short assignments.
