

Welcome to AP U.S. History 2021-2022!

Teacher: Ms. Rady, room 1046 email: virginia.rady@browardschools.com

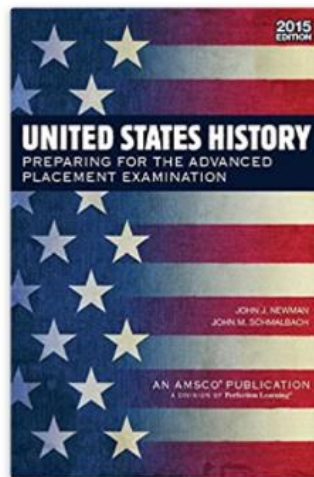

AP US History, or APUSH, is a challenging, college- level course covering American History from 1491 to the present. You will learn a lot about the history of the US, you will build historical reasoning and thinking skills, and you will write a lot so that you can present analysis and argumentation in writing like historians do.

IMPORTANT: if you cannot complete this work during the summer, that's fine; you will complete it when the school year starts. But we will have another assignment right away, and you many get bogged down with work right at the get-go! The work should take no longer than 2 hours to complete.

IMPORTANT: Contact me via email if you need ANY help or have any questions! I am happy to help! I check my email at least once a week in the summer 😊
