

Nova Blanche Forman Elementary School Parent/Student Handbook

THE MISSION OF NOVA BLANCHE FORMAN ELEMENTARY SCHOOL IS TO PROVIDE INDIVIDUALIZED LEARNING OPPORTUNITIES TO ALL STUDENTS IN AN ENGAGING ENVIRONMENT AND TO BUILD A FOUNDATION FOR LIFELONG LEARNING IN PARTNERSHIP WITH SCHOOL, STAFF, FAMILIES AND OTHER STAKEHOLDERS.

NOVA BLANCHE FORMAN PREPARES STUDENTS TO BECOME PRODUCTIVE, GLOBAL CITIZENS IN AN INCLUSIVE, INNOVATIVE, AND NUTURING ENVIRONMENT.

Nova Blanche Forman Elementary School

3521 SOUTHWEST DAVIE ROAD, DAVIE, FLORIDA 33314

[HTTPS://NOVABLANCHEFORMAN.BROWARDSCHOOLS.COM](https://novablancheforman.browardschools.com)

OFFICE: (754) 323-6600

ATTENDANCE LINE: (754) 323-6602

General Policies

Address Change

If you move within Broward County, you need to notify the front office and provide two proofs of address change. Proof of new residence includes Property tax bill, mortgage statement, notarized lease, utility bill, cellular phone bill, Florida driver license, automobile registration, credit card statement or bank account statement.

Arrival/Dismissal/Tardiness

Arrival

School begins promptly at 9:30 A.M. Students being transported to school by car must not arrive before 9:00 A.M. Upon arriving late, after 9:30 A.M., students must report to the front office where they will be given a tardy pass to be admitted to class. Parents must escort their children into the front office. Except in cases of a late bus, students will be marked tardy after 9:30 A.M. **As per the School Board of Broward County Discipline Matrix, habitual tardies can result in consequences such as time out, detention, social worker interventions and/or rescission of Nova placement.**

Dismissal

Children are dismissed at 3:30 P.M. If a student is to be picked up early, a note must be given to the classroom teacher in the morning. No child is permitted to leave the school at any time prior to the regular dismissal time unless he/she is signed out in the front office. Students will not be called to the office for early dismissal after 3:00 P.M. Only people listed on the registration form will be permitted to sign out a child. Parents are required to report to the office before visiting classrooms or any other school area. Parents attending after school conferences need to decide prior to the conference how their child is going home or if they will be attending the conference with them.

Children who are car riders at dismissal will be seated according to grade level. Parents who do not wish to park must wait in the car line. **Parents need to wait outside, not in the front office.** If you are "walking" up to the school to pick-up your child at 3:30pm, they will be dismissed through the green gate at the North side of the school. Students will not be released to meet parents across the parking lot. Names of children and their grade levels should be placed in the passenger's side windshield. **It is important that children be picked up on time or enrolled in the After Care program at Nova Blanche Forman. Parents who habitually pick their child(ren) up late will be referred to the school social worker.**

To ensure the success of your children, it is important that they be in school on time and that they remain in school through the end of the day.

Attendance

We appreciate that you value education. Part of this educational responsibility is being on time for school and remaining in school for the entire day. Tardiness and leaving prior to the end of the school day are both disruptive to the learning environment and can have a negative impact on student achievement. It impacts

the entire class and disrupts the academic momentum of the classroom. This is unfair to your child, the other students in the class, and the teacher.

Children should be in their classroom by 9:30 a.m. Excessive tardiness as well as excessive early dismissals (early pick-up by parent or guardian) will result in the school initiating appropriate intervention(s) and consequence(s) as provided by School Board policies. If there are excessive tardies, a social worker can be assigned to meet with the family. If the tardies continue, we can request that an Investigator from the State Attorney's Office meet with you. If, after that, the tardies continue, charges may be filed by the State Attorney's Office, and procedures will be initiated to rescind your child's Nova reassignment.

When a child is tardy to school, it is the parent's responsibility to escort the child into the front office. That way we make certain that your child is safe and in the building.

Broward Truancy Intervention Program (BTIP)

According to School Board Policy 5.5, "All students are expected to attend school every day of the 180-day school year. Parents of children of compulsory school age are responsible for their child's school attendance. Because poor academic performance is associated with nonattendance, schools will respond timely to prevent the development of patterns of nonattendance. Schools will collaborate with appropriate local and state agencies that are involved in truancy prevention, intervention and judicial action."

Nova Blanche Forman will adhere to the above School Board Policy and act for unexcused absences as outlined below. Absences may be excused for the following reasons:

- Illness
- Illness of immediate family member
- Death in the family
- Religious holidays
- Required court appearances.
- Special events – Permission must be granted by the principal at least 5 days ahead of time.
- Scheduled doctor appointment
- Students having or suspected of having a communicable disease. Students are allowed a maximum of 5 excused days absence for an infestation of head lice.

In order for an absence to be excused, written documentation must be brought to school upon the child's return. A phone call to the attendance line will also be accepted as documentation. The Attendance Line phone number is 754-323-6602. The absence needs to be reported within two days in order to be excused.

The following steps will be taken in the case of excessive unexcused absences:

- **3 Unexcused Absences** – The district will mail a 3-day notice. Parents will have 48 hours to respond to the school.
- **5 Unexcused Absences** – The child's student number will be released to the State Attorney's office who will send a subpoena to the school for release of student records. A certified letter will be sent to parents. Upon written notification excusing the absences, the process will be stopped, and records will not be released.
- **10 Unexcused Absences** – A mandatory meeting will be scheduled with the Area Director and the State Attorney's office.

Before and After Care/School (Titan Care)

Before and After School Care is held from 7:00 a.m. to 9:00 a.m. in the morning and from 3:30 p.m. to 6:00 p.m. in the afternoon. Both are held at Nova Blanche Forman. The regular school hours are from 9:30 a.m. to 3:30 p.m.

Behavior

Nova Blanche Forman abides by and enforces the Broward County Student Code of Conduct. The Code of Conduct manual is available on the district website and at our school. Parents are urged to read and discuss the rules and expectations with their child. Following this, parents and students must sign the appropriate page of the booklet and return it to the classroom teacher. A copy of the Discipline Matrix is available in the Code of Student Conduct and on the district website. Attending Nova Blanche Forman Elementary is a privilege. Student's reassignment to Nova can be rescinded due to behavior and/or excessive absences.

Birthday Parties at School

School is not the appropriate location for "birthday parties". A birthday celebration cannot take place during instructional time. Parents must notify teachers in advance if they would like to bring in a birthday treat, such as cookies, cupcakes, donuts and/or juice boxes. The treat will be given out at lunchtime or recess. **According to the School Board Policy, any food brought into school for class distribution must be store bought. *Pizza, soda, balloons, and goodie bags are not appropriate for school.***

Bullying

Bullying is the intentional, repeated, hurtful action (words or behavior) against someone with less power – use the acronym R (repeated), I (imbalance of power), and P (purposeful) to remember it.

Types of Bullying include:

- Verbal; saying or writing hurtful things.
- Physical: hurting a person's body or possessions
- Mental/Emotional: hurting someone's reputation or relationships through rumors, exclusion, humiliation or threats.
- Cyberbullying: use of technology (texts, emails, online gaming or forums, social media, pictures, etc.,) to hurt or harm someone intentionally.

How to Report Bullying:

- Report it immediately to school administrators
- Submit anonymous tips at Browardschools.com/SecurityTips
- Call in tips to BCPS District Security Operations Center at (754) 321-3500
- Email SecurityTips@BrowardSchools.com
- Submit a tip via FortifyFL at GetFortifyFL.com
- Report online abuse directly to a site/app/game

Bus Transportation

Broward County Schools provides transportation for students who live two or more miles from school. However, when riding the bus, certain rules must be observed to ensure the health and safety of everyone. A written copy of school bus regulations is listed in the Code of Student Conduct. Please read them carefully. Also, parents may not come to the bus area at school to take their child off the bus.

Students are to arrive at their bus stops at the time indicated on the notes mailed home by the transportation department. The bus driver will not allow any student on the bus who does not have a bus pass for that particular bus on file with the driver.

If the bus is late, students shall remain at the stop until the bus arrives. Leaving the bus stop could result in an unexcused absence from school. Students should stand at the bus stop and not intrude on private property adjacent to the bus stop.

Riding the bus is a privilege which can be withdrawn at any time for disruptive or unsatisfactory conduct. All students being transported are under the authority of the bus driver and must obey his/her requests. In the interest of safety, a student will be reported to an administrator for continued and/or willful disobedience of safety regulations. Continual reports of bus misconduct will result in suspension from riding the bus.

- Bus students who endanger the safety of the occupants by causing a disturbance or distracting the driver will be referred to an administrator for disciplinary action.
- Bus students will be held responsible for complying with the printed rules and regulations listed in the Code of Student Conduct. Infractions of these rules may lead to disciplinary action and suspension from riding the bus.
- Food and drinks may not be consumed on the bus.
- Students are not allowed to enter or leave the bus at any stop other than their assigned stop.
- Students are to ride only the bus to which they have been assigned; students may not ride a different bus to go home with a friend.

***Please note that if a student's mode of transportation is to be changed from bus to car on a particular day, a note must be sent to the classroom teacher. If a note is not received, the student will be put on the bus as usual.**

Cafeteria

Hot breakfast is provided before school from 9:00am – 9:30am free of charge. Lunch is also free. Students are welcome to bring their own lunch. Fast food, sodas and glass bottles may not be brought into the cafeteria.

Character Education

We encourage all our students to adopt the Character Education traits. Each month a student from every class who exemplifies the monthly trait is chosen. This student has his/her picture displayed on our Tip Top Titan bulletin board and his/her name announced on morning announcements. The traits are Cooperation, Responsibility, Citizenship, Kindness, Respect, Honesty, Self-Control and Tolerance. Classroom teachers provide monthly lessons on each trait. We ask the support of all parents in encouraging the learning and modeling of these traits at home.

Class Size

The State Amendment mandating class size limits was fully implemented during the 2010-2011 school year. Each year, schools are required to make every effort to meet class size targets and to balance the number of students in each class. Parents should know that students may need to be reassigned to another teacher, after the start of the school year, to meet this requirement. In addition, based on student enrollment at each grade level, new classes may need to be formed or classes dissolved to meet class size and budget requirements. If new teachers are assigned to the school, classes will also need to be reformed and students reassigned.

Should a change in student placement be needed after the start of the school year, parents will be informed as soon as possible. Please know that we always attempt to anticipate and prevent such changes as much as possible. However, some circumstances are unpredictable.

Clinic/Medication

Students who become ill or injured during the school day may be excused to visit the Clinic for 15 minutes. Except in cases of *extreme emergency*, a student must obtain a pass from his/her teacher before reporting to the clinic. The care for illness or accident is first aid *only* as the law prohibits personnel from dispensing medications. If a medical prescription is on file, medication may be administered. School Board policy expressly states that school personnel cannot administer or dispense medication unless all proper forms from the health department and doctor are completed and on file at the school. These forms must be updated annually. All medication must be in an original prescription bottle and will be kept in a locked medicine cabinet. All students on medication must have the prescribed dosage available daily. Parents are reminded to plan ahead so medication can be consistent for the welfare and academic growth of their child. Under no circumstances will a child be permitted to carry medicine in school. This includes aspirin, cough drops and other over the counter or prescription drugs.

Communicable Diseases

Students with a communicable disease or infestation such as pediculosis, impetigo, chicken pox, scabies, ringworm, etc. shall not be allowed to attend school as per School Board Policy. A child must have a doctor's note showing the child is free of any infestation or communicable disease before returning to school.

Dress Code

Mandatory uniforms were approved by the school population in June 2001. Students may wear the following colors:

Tops: solid navy, white, hunter green, black, yellow, and "Nova Titan Wear" sold by PTA.

Bottoms: solid khaki, navy, black and hunter green. Jeans may be worn on the last school day of the week with appropriate tops.

Students must wear Polo-style oxford or turtleneck shirts or Peter Pan collar blouses for the girls. All tops must have sleeves and collars except for "Nova Titan" t-shirts sold by PTA. Bottoms must be cotton twill long straight leg pants, knee length shorts, skirts and skorts. A belt is optional. Tops and bottoms are to be a solid color.

In addition to the above styles, students may also wear vests, cardigans, and jackets with approved shirts underneath. Nova sweatshirts and Titan Wear are also appropriate.

Applications for exemption from the uniform dress code are available in the front office and are due to the principal during the first two weeks of school. Applications will be reviewed by the uniform committee and a letter notifying parents of the committee's decision will be sent home within 10 days.

Early Release Days

The School Board of Broward County offers its personnel opportunities to learn, grow and share by releasing students at 1:30 p.m. Please refer to the school calendar for exact dates. Aftercare is available on Early Release Days for those students enrolled in the program.

Emergency Dismissal

Emergency dismissal forms must be completed and kept current. The school must be able to contact the parents in case of sudden illness or accident. Early closing of schools due to extreme emergencies is left up to the Superintendent. In an emergency dismissal, each child needs to know the proper procedure(s) they are to follow. Parents should inform their child about what to do in the event of an emergency dismissal, i.e.: where he/she is to go or where you or the designated person will meet him/her.

Exceptional Education Students (ESE) and English for Speakers of Other Languages (ESOL)

Exceptional Student Education programs are offered for students who qualify. These programs are monitored closely, ensuring the best education for all our students. Programs are provided for students who are English Speakers of Other

Languages (ESOL). Students receive extensive instruction in all academic areas including language arts, reading, math and the sciences while maintaining cultural awareness.

Other special programs and groups are provided through our guidance counselor, family counselor, resource teacher, reading coach, school psychologist and school social worker. Nova Blanche Forman offers specialized assistance to students through Speech and Language, Gifted and other varying exceptionalities classes.

Contact our Guidance Counselor or Exceptional Student Education (ESE) Specialist for more information.

Field Trips

Students attending field trips must have the approval of their teachers and administration. Field trips are taken to enrich the academic program. Each parent must submit written permission on the approved county form before the child may participate in a field trip. Permission given by phone is not acceptable. Forms will be provided for each trip and must be completed in full. Children not attending Nova Blanche Forman may not participate in or attend field trips even if accompanied by parents.

Grading Scale

Grades K-2

"1" Has mastered the skill(s) independently.

"2" Is learning the skill(s) with assistance.

"3" Area of Concern

Grades 3-5

"A" Outstanding Progress 90-100

"B" Above Average Progress 80-89

"C" Average Progress 70-79

"D" Lowest Acceptable Progress 60-69

"F" Failing Below 60

Homework

The Policy of the Broward County School Board states that homework shall be encouraged and assigned to individual students when and where appropriate to enhance learning and to provide for skill improvement. The type of homework and amount assigned shall be consistent with the student's ability and his/her age and grade level.

- Homework will not exceed 30-45 minutes per night with additional time for reading.
- Homework will not be given a letter grade except for long-term projects. Concerns regarding homework will be noted under the Study Skills portion of the Interim Report and Report Card.
- Students will have two days to make up homework for each day absent.
- Students who leave class for an ESE class might not be required to make up missed work given in the regular education classroom.

- If students have more than one teacher, teachers will communicate to alleviate too many assignments.
- Homework should not be checked by peers, but students may check their own work along with the class.
- Teachers will review and give feedback on all assignments.

Students should be encouraged to do all their homework. Some homework may be assigned over a period of time, such as: book reports, academic fair projects, social studies projects, writing projects, etc. Please help your children manage their time to complete these tasks.

Honor Roll

Honor Roll awards are given quarterly to third through fifth grade students who qualify at grade level assemblies. The Honor Roll criteria are as follows:

Gold Award – All A's and all 1's and 2's in behavior and study skills

Silver Award – A's and B's and all 1's and 2's in behavior and study skills

Bronze Award – Improvement in at least one grade, no decline in any grades and no more than two 3's in behavior and study skills with no F's. This is given for the second, third and fourth quarters only.

Innovation Zone

The four Nova schools make up the Nova Innovation Zone. We encourage parents to participate in our zone meetings. Meeting dates and times will be posted on the web site (www.novaschools.com).

Insurance

Accident insurance may be an important aspect of your child's well-being. Applications are sent home to students. The decision to purchase or not to purchase is an individual family decision, however, parents are highly encouraged to review the insurance packet carefully and to consider its importance.

Interim Reports/Report Cards

Interim reports are sent home quarterly approximately halfway into the respective quarter. Interim reports indicate progress to date. Grades on Interim Reports are not necessarily the final grades. Interims are a communication tool to keep parents informed. Not all students receive interims. Report cards are issued every nine weeks to all students.

Lice

Head lice continues to be of epidemic proportions nation-wide. Parents should remain aware of this problem and check each child in the household regularly. The school conducts head lice checks periodically and is required by Board Policy to send home students detected with nits or active head lice.

Children must be checked through the office and cleared before returning to class. Teachers are instructed to readmit these children once a clearance slip is issued from the office. Parents are required to accompany their child through the clearance process. Families needing assistance should carefully read the materials sent home regarding head lice and follow procedures.

Lost and Found

The Lost and Found (clothes/jackets, lunchboxes) are maintained in the cafeteria. Students who find articles which have been lost or misplaced are urged to turn them in at once. All students who lose articles are encouraged to check in the cafeteria to see if the item has been returned. **Please label articles of clothing** to ensure their return to the proper owner. Items such as money, jewelry, cell phones and glasses are kept in the front office.

Media Center

Reading is a priority in our school. Students are encouraged to check out books for home reading.

No fines are charged for overdue books. We do, however, insist that students return books and materials when due. If a book is lost or damaged, the student is expected to pay the amount designated by the media clerk. Failure to pay for a lost book results in an "obligation" being placed on a child's district record.

Messages

Personal calls and messages to students cannot be accepted through school phones. Students will not be called to the phone as messages interrupt instructional time and cannot be delivered *except* in cases of a family emergency. Please try to make appointments, bus plans, alternate car rides, etc. before your child leaves for school.

Parent Advisory/Parent Teacher Association

Nova Blanche Forman has a very active Parent Advisory group. Parents and administrators work together in a cooperative effort to improve the school and its programs. Over the past several years, members of the School Advisory Forum (SAF) have worked diligently, and their continued support is vital to our success. Parent suggestions are welcomed by the PTA and parents are encouraged to become members.

PTA is also a group of very active parents who work to support our children by sponsoring fundraisers and by recruiting volunteers to help in various areas of the school. There are multitudes of opportunities to become involved. Notices will be sent home regarding the dates of the SAF and PTA meetings.

Parent Conferences

Teachers are required to have at least two parent conferences with each family during the school year. Interim reports, report cards and test results often raise questions in parents' minds. It is important that parents communicate with the school personnel whenever they feel that there is a problem or when they feel that a problem is developing. Please stay in close contact with teachers. Parents should call and make an appointment to schedule a conference. Teachers are not available for conferences with parents during class time.

Parent Link

The “Parent Link” is an automated system that sends recorded phone messages out to families within the school district or the school. Please listen closely to all Parent Link messages. The information provided is important. Make sure the front office has your current phone number.

Personal Property

Any personal property brought to school, including phones, iPads, bicycles, pencils, money and so on, is the responsibility of the owner. The school cannot assume responsibility for the care of personal property. Toys and/or objects which may cause an injury or disruption have no place in school and must be left at home.

Pets

Pets are adorable, but they do not belong in school. Students and parents should not be bringing any type of pet or wild animal into the school building.

Policy 5004.1

Nova Schools –

1. Nova School Placement may be rescinded by the affected Area Office after documented interventions have been attempted at any time during the school year for repeated violations of the Code of Student Conduct guidelines including poor attendance, excessive tardiness, or inappropriate behavior, and failure to follow school procedures. When students do not follow the rules and expectations outlined in the Code of Student Conduct, one or more of the actions under the procedures in the Code of Student Conduct may be taken until the problem is resolved.
2. Requests for withdrawal must be filed with the principal of the school and the Director of Innovative Programs/Parent Options. Withdrawals for the purpose of the relocation of the student’s parents/legal guardians outside of Broward County or to allow a student to enter a private school shall be granted at any time.

Withdrawals for attending the affected students regularly assigned public school, based on approved boundaries, shall be granted at any time.

3. Any request for temporary leave from Nova Schools must be approved by the Principal and the Director of Innovative Programs/Parent Options before the student is withdrawn. A leave of absence from the Nova Schools shall be considered in the following situations:
 - a. A student may be granted a leave of absence from the Nova Schools for the period of time necessary to complete any of the following programs or hospital stays: being a patient in a hospital for an extended period of time; being enrolled in the Board’s Hospital Homebound Program; acceptance into a Board approved Alternative Education Program or other exceptional education programs; enrollment in a licensed, full-time substance abuse treatment program; or participation as an exchange student.

- b. If a family or student is moving out of Broward County temporarily, a leave of absence may be granted for a maximum of one (1) year.
4. A student who withdraws from the Nova Schools must reapply for admission according to the provisions of this policy, with no preferential treatment given for re-admission.

Responsibility Notes

Teachers utilize Responsibility Notes as a communication tool with parents. They are not referrals and they do not go into administration or into a child's permanent record. They might be used in place of a phone call or conference to keep parents informed.

Response to Intervention (Rtl)

Response to Intervention (Rtl) is a process that provides interventions and educational support to all students at increasing levels of intensity based on their individual needs. The goal is to prevent problems and intervene early so that students can be successful.

Rtl is a process designed to help schools focus on interventions that are matched to student needs and monitored on a regular basis. The information gained from the Rtl process is used by school personnel and parents to adapt instruction and to make decisions regarding the student's educational program. The Collaborative Problem-Solving Team will identify the student's area of need, develop an intervention plan, and progress monitor for at least 4-6 weeks.

School Advisory Council

The School Advisory Council (SAC) consists of school personnel, parents and community members. Voting SAC members are elected to the committee by their respective groups; however, all parents are invited to the meetings. Meetings are held with School Advisory Forum meetings. SAC has input into the writing and implementation of the School Improvement Plan consisting of objectives, student activities, staff and parent training and the use of funds given to the school for the purpose of achieving goals and objectives.

School Colors and Mascot

The school colors are green and gold; the mascot is the Titan.

School Parties

Two class celebrations per year have been authorized. Student birthday parties should not take place at school. Parents must notify teachers in advance if they would like to bring in birthday treats to be given out at lunchtime. **According to the School Board Policy, any food brought into school for class distribution must be store bought.**

School Safety

Evacuation (fire) drills are held at regular intervals as required by law. These drills are very important safety precautions. Students will be instructed on the route to clear the building and appropriate behavior to use during a drill.

Tornado drills are also conducted during the school year. Students will move to their assigned areas in the building according to their teachers' instructions and wait for further directions.

Lock down drills are held as a precaution in case of a possible intruder. Students and teachers are instructed to remain in classrooms and to keep all doors locked.

Fire drills and Lockdown drills are required in both Before and After Care. Tornado drills are conducted twice a year.

Smoking

Smoking is prohibited anywhere on school grounds. We ask you to extinguish cigarettes before arriving on school grounds.

Student Information

It is most important for your child's well-being and safety that you notify the office and teacher immediately of any change of telephone number or address.

Threats

Broward County has numerous ways to report a threat. If it is an immediate emergency, call 911. Threats can also be reported through Fortify FL and Safer Watch. Remind your child if they "See Something, Say Something". Be a Broward Buddy. Report a Tip!

Visitors

Nova Blanche Forman is committed to providing a safe learning environment for our students. Anyone entering the building **MUST** ring the doorbell and show their ID or driver's license prior to entering. Visitors *must* enter the school only through the main office where they will sign in and get a visitor badge. Under no circumstances should parents enter the building and go directly to the classroom. Items that need to be delivered to the classroom should be brought to the front office. **ALL VISITORS WILL BE GIVEN A BADGE TO AUTHORIZE THEIR ENTRANCE INTO THE BUILDING.** You will need to show your driver's license to check-in through the Raptor Security system. Please assist us in enforcing these policies. The safety of our children is our utmost concern.

Volunteers

In order to volunteer in a classroom, chaperone a field trip or assist with a PTA fundraiser or event, parents **MUST** be approved by the district as a volunteer. **Each year** parents must renew their volunteer application. Parents are encouraged to go to www.getinvolvedineducation.com at the beginning of each year to complete the online Volunteer application. The clearance process can take a few weeks. The Volunteer website also contains information about the district's mentoring program.

Weapons Possession

The School Board of Broward County and Nova Blanche Forman have adopted a Zero Tolerance Policy regarding weapons possession. Consequences include mandatory suspension and possible expulsion. Items that might be construed as being a weapon may not be brought on school grounds.
