Happy New Year, Eagle Point Families!

I hope that everyone had a wonderful Winter Break and that you were able to spend some quality time with your children! Our teachers and staff are rested, recharged and looking forward to the second half of the school year. We just started the 3rd quarter on Tuesday, January 8th. This is an opportune time to sit down with your child and talk about the personal and academic goals they are setting in class with regards to their BAS levels (K-3rd grade), AR goals & i-Ready target goals. As we all know, goal setting is an essential component to leadership; conversing and helping students formulate their goals is critical in their development as student leaders. During the third quarter, we will highlight Habit #4 - Think Win Win, Habit #5 - Seek First to Understand, then to be Understood, and Habit #6 - Synergize. Hopefully you are all receiving my weekly messages via telephone and email. If you are not, please call Maria Alvarez to update your phone and email address.

Sincerely,

Christy de Zayas
 Principal

VPK Program 2019-2020

The application process is scheduled to begin in February. The district will be using a lottery-based system for the selection process. Please visit the EPE website for details on applying to the 2019/2020 VPK Program.

CLASSROOM HAPPENINGS

Second Grade

Happy New Year!!!

Our Super Second Graders are excited to start 2019! We are continually working on reading comprehension and writing. We are thrilled to start our new Science unit on the life cycle of plants and animals. In math, we are working on addition and subtraction with regrouping. Please continue to encourage your child to read nightly and utilize i - Ready. We are looking forward to a successful 2019!

Third Grade

Third Grade has been busy reading many literary and informational genres. Our reading activities engage students through hands-on centers, digital lessons and collaborative discussions. Parents can assist their child by encouraging them to

participate daily in our Accelerated Reading program, online i - Ready eading and math activities, and to complete their weekly Think Central lessons. We are looking forward to mastering our third grade standards through an exciting and fun-filled integrated curriculum.

Take Our Daughters and Sons to Work Day on February 1, 2019 For Children ages 8-18

Please note that due to state mandated testing period, the district does not align with the National "Take your Child to Work Day". Parents must complete the permission form (District field trip form) at least 5 days in advance. Form can be downloaded from the Eagle Point webpage:

www.eaglepoint.browardschools.com

For Guidelines please refer to the following weblink:

Krupin's Korner

Welcome back! I hope everyone had a wonderful winter break. Wishing all our students and families a Happy and Healthy New Year! Help your child start out the New Year on the right foot by creating personal and/or academic goals for the 2019 year. Discuss with your child how or what they need to do to reach their specific goals.

Remember, Habit 4, Think-Win-Win.
