

THE EAGLE EYE

EAGLE POINT ELEMENTARY SCHOOL

Quarterly Newsletter January-March 2017
<http://eaglepoint.browardschools.com>

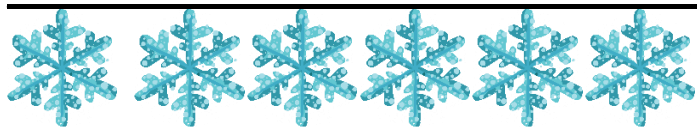

Happy New Year Eagle Point Families, We are excited to get back to work as we move into our 3rd Quarter. We continue to focus on high quality instruction and fostering student achievement. Our students continue to make strides in their personal and academic goals, as we to strive for new heights. The week of January 23rd-27th is Florida Severe Weather Week, in which we encourage our students and our families to be aware and cautious of the ever changing challenges our weather presents. During the month of February, we will celebrate Black History Month and March is Women's History Month. Expect lessons and activities that celebrate and remind us of contributions made to our country.

Have an amazing few months and Eagles Continue to Soar!!!

Educationally Yours,

*David Martin II
Intern Principal*

CLASSROOM HAPPENINGS

Second Grade

Our Super Second Graders are excited to start 2017! We are continually working on reading comprehension and are thrilled to start our new unit covering the lifecycle of plants and animals, as well as the economy. In math, we are working on addition and subtraction with regrouping. Please encourage your child to read nightly and utilize iStation. We are looking forward to a successful 2017!

Third Grade

Teachers are providing creative strategies to improve each student's reading comprehension skills. Our third grade students have been reading nonfiction articles through Achieve 3000 which is an online reading program. They are actively working in small reading groups, utilizing our Accelerated Reader Program and reading articles through Achieve 3000. This has given students opportunities to raise their lexile levels to new heights. We are working diligently to prepare our students for the FSA in the spring.

In math, students have memorized their multiplication facts to create and solve real world problems utilizing division. We are planning to use hands-on activities to understand how to compare and contrast fractions. Parents can continue to monitor your child's mastery of skills through Think Central.

Computerized instruction, manipulative activities, and support from our wonderful parents provide a stimulating environment for learning. We are looking forward to a semester of enriched lessons.

Krupin's Korner

Welcome back! I hope everyone had a wonderful winter break. Wishing all our students and families a Happy and Healthy New Year! Help your child start out the New Year on the right foot by creating personal and/or academic goals for the 2017 year. Discuss with your child how or what they need to do to reach their specific goals. Remember, Habit 4, Think-Win-Win.
