Frequently Asked Questions (FAQ's)

As we transition to online learning, find answers to FAQs below.

1. What will my daily schedule look like?

Each student should log into EACH of their CANVAS courses by 8:00 am each morning. Please check the work assigned, notes and/or lectures and expectations for the day or week that are posted by the teacher in each class. There is no set time that you are required to log into a specific class each day UNLESS your teacher notifies you in CANVAS or through email that s/he is delivering a live or interactive session that you are required to log into.

2. What will the format of each class be?

Most of your classes will be set up by the week, meaning a set of objectives or requirements for each week will be posted in CANVAS, content (lecture, Powerpoint, videos, reading assignment) will be posted for the week, and required assignments or assessments will be posted, along with their due dates.

3. What if two teachers set up a live lecture or interactive session at the same time?

We have set a schedule that assigns time slots for students to communicate with teachers. Please see the schedule below:
