When will we be returning face to face? Superintendent Runcie would like several weeks of a low infection rate in Broward. There will be a school board meeting/workshop on September 22nd, return to school plan is anticipated to be discussed at that time. You may get the link to attend that meeting by going to browardschools.com

What measures are being taken to ensure a safe return to HHE's campus? Campus is being thoroughly cleaned and sanitized.

Attendance is being reported by your child's homeroom teacher, taken at the start of class.

Report cards: First quarter report cards are sent home November 12. Interim reports are going home this Friday, September 11th. The first marking period ends on October 16th. Interim reports will be available via Virtual Counselor.

How will mask wearing be enforced upon return to campus? Waiting for direction from the school board. This is a district decision and will be conducted in a uniform manner, districtwide.

Adjustment to K/1 schedule—will there be another discussion about this, or is this new schedule set in stone? Everything is being constantly evaluated, this was decided in effort to reduce screen time. Face to face whole group with the teacher was reduced, enabling teachers

to dedicate time to assess one on one and provide individualized attention and interventions. This could change in the coming weeks or months, contingent on data.
