- Principal's update

Mr. Fossas

We have had Mrs. Steinman engaging in social emotional learning guidance breakout sessions in the classroom. We have had about a 27% decrease in student referrals. Comparing the numbers, there's a decrease not only in total referrals but in the students getting a referral. 50% decrease. There's a variety of reasons for this, but I think this plays a significant role.

No school on Monday.

Friday is an early release day and Valentine's Day. Districtwide day of service and love. Mrs. Steinman has created an "I put the I in KIND" mural. Low key classroom parties, no parent volunteers on campus that day.

- AdvancEd/eProve Survey

Mrs. OSullivan

We will be asking stakeholders to engage in a survey relating to domains of school environment. Purpose/direction, leadership, teaching, resources. We would like all parents to participate in this survey. The results go directly to OSPA—the office of

school performance and accountability, results help us to see where there's room for growth and improvement and what could stay as is. Results will be presented at the SAC meeting.

- Title I Survey Mrs. Dallas

Our Title 1 Survey is on the website for parents to take, it went live yesterday (2/10/2020). Parent link going out.

We had a fabulous literacy week with our Vocabulary parades and Debra Frasier author visit. Thank you to PTA for funding this event. Teachers are in the process of assessing students reading levels with the BAS. 3-5th graders have completed the BSA and the results are being used to drive instruction.
