GROWING GREATNESS, ONE STUDENT AT A TIME

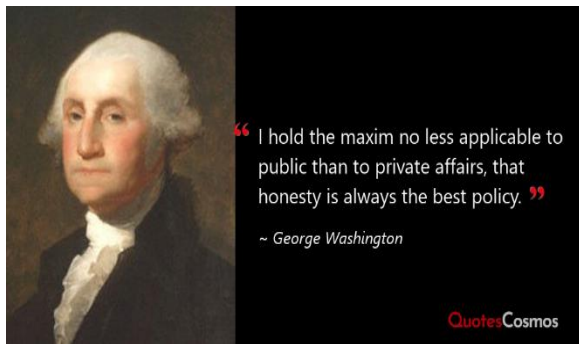

FEBRUARY 18, 2025

Greetings Griffin Families,

School Vision: Learning Today, Leading Tomorrow

School Mission: To ensure that all students receive a quality education, within a safe, secure and nurturing learning environment

Greetings Griffin Families,

Happy President Day! To honor George Washington Birthday – February 17

Thank you for another incredible week. Our KG Round-Up was a huge success and a great turnout. Looks like we will have increased enrollment next school year. I am excited!

Griffin turns 45 this week. The students are in for a treat as they learn the history of our school. The school was built in 1979 and it cost \$3,000,000 to build. There was only 1 building and later the 2nd building was added due to the large enrollment between 700 -800 students. It is amazing that we still have staff at Griffin that have been here for 30+ years. Griffin is rich in traditions. We still have some of the activities that stated in the 80's - December Dash with Santa visiting, Grandparents Day, Angel Tree (Now the Toy Drive). Peace Day. Things we do not do- which I remember being part of – Mardi Gras Parade – hallways become streets of New Orleans, Haunted House Experience - the entire 4th grade hallway converted into a haunted house. Having a great time reminiscing this weekend looking at old yearbooks. Next week we will place our PowerPoint on the website. Thank you, Ms. Sanchez, for spearheading this event. This is a huge undertaking.

WEEK AT A GLANCE
