GROWING GREATNESS, ONE STUDENT AT A TIME

MARCH 10, 2025

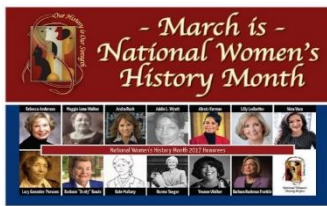

Greetings Griffin Families,

School Vision: Learning Today, Leading Tomorrow

School Mission: To ensure that all students receive a quality education, within a safe, secure and nurturing learning environment

Greetings Griffin Families,

Each year, the National Women's History Alliance designates a theme for the month of March. For 2025, the theme is “Moving Forward Together,” spotlighting “women educating and inspiring generations.”

Cooper City Founders Day parade was a huge success on Saturday. Our Teacher and School Related Employee of the year were recognized by the city. They provided an open roof bus for the participants and administrators from the Cooper City Zone Schools to be in the parade

On Saturday, our School participated in Water Matters that take place annually at Tree Tops Park. Thank Jacque Sanchez for setting up the booth with Eco-Patrol Students, Ms. Burd and Ms. DeFerrari for attending. Congratulations to Kiersten DeFerrari for receiving an award for her info-graphic entry.

The City of Cooper City and Griffin Elementary School collaborated on a Free Little Library project. Our school was excited to plan a theme and apply our art skills. Painting by Dalia, Amelia and Quin was the biggest highlight! Be sure to stop by Bill Lips after installation to read and share a book. After all, reading is out of this world! A huge thank you to the city for including our school in this community project. Thank you to Ms. Berger, Ms. Bencivenga and Mr. Jonathan Pares from Cooper City.

This year the beginning of Ramadan began on February 28, 2025. It is the holiest time of the Muslim calendar. It is a time of strict fasting, prayer and time spent with family for our Muslim students and families.

Ramadan will last until March 30, and will be followed by the end of Ramadan festival, known as, Eid al Fitr on Monday, March 31, 2025. This year, schools will be closed on that day. Staff will be made aware of students fasting and administration will provide alternative setting during the student lunch block.

WEEK AT A GLANCE

| Days of the week | Events | Time |
|------------------|--|------------------------------|
| MONDAY | Math Cumulative Topic 1-11 Assessment Chorus | |
