

# PARENT WEEKLY BULLETIN

## GROWING GREATNESS, ONE STUDENT AT A TIME

### AUGUST 26, 2024

Greetings Griffin Families,

It's hard to believe we're already approaching week 3 of teaching and learning! As routines and procedures continue to be our focus, we're also gearing up to gather valuable data from our students through the FAST, STAR, iReady, and other beginning-of-year assessments. Keep in mind that these assessments cover the **current grade level**, which our students have just begun. The true measure of growth will be seen in PM 2, where we can compare progress from PM 1.

We completed our iReady Diagnostic 1 in Reading. You can view your child's results – My Report. Next week I will have the results for Math.

[Log in to i-Ready](#)

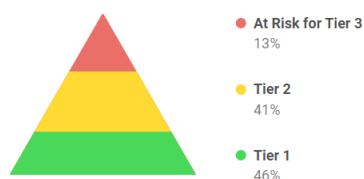

For our new parents, especially our KG parents - **i-Ready®** is an online assessment and instruction that helps teachers provide all students a path to proficiency and growth in reading and mathematics.

FAST Progress Monitoring (PM) is a state assessment administered 3 x a year - K-5<sup>th</sup>.

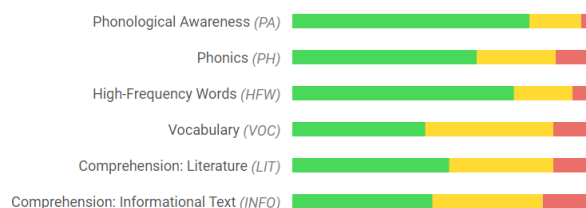

After every school wide assessment, reports will be available for parents to view.
