

Pizza, Pizza, Read All About It!

Griffin Elementary is proud to partner with Pizza Hut's reading program, *Book It*. Griffin students are eligible each month to earn a free pizza.

Students need to read 20 minutes (independently or with an older family member) and then color in a pepperoni. Once all 15 pepperonis have been colored in, students need to bring their completed pizza form to Mrs.

Berger in the media center. Students will then receive their coupon for a free Pizza Hut pizza.
