

Once again, our school will be participating in the Box Tops for Education™ (BTFE) program. My name is Mary Lew, and I'm the Box Tops Coordinator for Hawkes Bluff Elementary. Clipping Box Tops is an easy way for you to help your child's teacher buy what he/she needs for their classroom. Box Tops are each worth 10¢, and they quickly add up to real cash. Last year, HBE earned over \$4,000! This school year, help us meet our school's earnings goal of \$4,500.

To help our school just look for pink unexpired Box Tops on products, clip them, and send them to school with your child. Students will give the Box Tops to their teacher. The top earning class in each grade will earn a Box Tops cereal party at the end of the school year!

Collection sheets can be printed from <http://www.boxtops4education.com/about/collection-sheets>. Collection sheets with Box Tops glued or taped only (no staples) can be submitted. Box Tops can also be bundled together by using envelopes or baggies. Label each bundle with your child's teacher's name and number of box tops.

For more information on the Box Tops for Education program, including a list of participating products and our school's progress, visit www.boxtops4education.com. Be sure to become a member to receive exclusive coupons and recipes. You can also learn about extra ways for our school to earn, including the new Bonus Box Tops App.

If you have any questions, please don't hesitate to contact me at hbeboxtopsforeducation@gmail.com. I'm here to make our school's Box Tops for Education program a huge success this year.

Thanks for your help!
Mary Lew

Just a few of the participating products!
