Principal's Report

Ms. Moreau thanked everyone for turning out to support our scholars. She encouraged parents to continue to send students to schools every day as long as they are healthy.

Ms. Moreau said that we need support for all our parents and guardians as we have FSA coming up soon. Third graders must obtain a level 3 in ELA to be proficient and at least a level 2 to move on to fourth grade. She asked parents to ensure that students are doing IReady at home regularly to help close achievement gaps. Ms. Moreau told parents that computers will be provided for those students who may need one at home. She informed the community that fifth grade will be taking 4 assessments.

Title I

Ms. Moreau report that the Accountability Funds is sitting at \$11,638.07. These funds can only be spent on students. Ms. Moreau asked for suggestions on ways that the funds can be used to support students.
