Dear Parents and Families,

Can you believe that the fourth quarter has arrived and that testing season has begun? Spring Break is arriving just in time to “Sharpen the Saw,” Habit #7 of the Leader in Me. It is based on the principles of renewal, continuous improvement, and balance. The four dimensions of renewal are body, mind, spirit and heart. In February we worked on the heart and body with love, relationships, exercise, nutrition, and stress management. March and April are focused on the mind.

Our students have worked very hard during the first three quarters to learn. Fox Trail’s outstanding teachers have very high expectations and have worked with your child on the standards with rigorous instruction. We’ve placed a great emphasis on reading, writing, learning and studying. Now that it is testing time, it gives the children the opportunity to show what they know! See our important dates to know the specific days testing will occur. Our 3rd-5th graders are READY!

During the fourth quarter we also have end of the year tests that are critical to monitor student achievement throughout the entire year. Take a few minutes to review your child’s academic goals, work and growth to show them just how much they have learned and accomplished this school year. Remember, students are expected to be in their seats by 8:00am and ready to learn – until the last day of school. There are still many fun educational activities to get involved in. I thank you for everything you do to make Fox Trail and our children the best!

Proud to be Your Lead Learners,

Ms. Lynn L. Burgess, Mrs. Suzanne Nelson, and Mrs. Jennifer McGreevy

Early Sign Out

Parents please refrain from picking up your student early from school unless it is an emergency. Teachers teach until 2:00 and it disrupts the flow in the classroom with the other students. Your child is losing valuable learning time by coming in late and leaving.

Excellent Attendance

Being in school, all day/every day means your child won't miss out on learning. Try to schedule appointments and family trips outside of school hours. If they ask to stay home, "just because" or to get picked up "just because", remind them of what they will miss, such as their reading group or art class. Explain that they can be absent only if they are sick or if there is a family emergency/sickness.

Student Re-registration Forms

Parents, due to our school being 102% overcrowded, it is very important that you return the green registration form along with the requested proof of residency as soon as possible. Failure to do so will result in your child being referred to the Demographics Department for further residence investigation.
