VOLUME 56 | ISSUE 02 | OCTOBER 2018

We could not do it without you!

Hey Hey, are you reading this?

So far this year we have raised enough funds to:

- Provide 5 classes with new rugs
- Flocabulary access to all of our students
- Purchased new books for the Media Center.
- Gifted our teachers scholastics dollars for the book fair.

Lets keep this going. Your support means everything. Please continue to support our events and join the PTA. Joining the PTA does not obligate you to volunteer, but gives you a voice and helps us provide to our students, teachers and staff.

Thank You!!!

Very special thank you's to the Avila Family, the Moore Family, and the NEE PTA for their donations of time, books, and goodies to the media center!

After-School OPEN MEDIA - Wednesdays

Current NEE students can attend (with their parent or another adult chaperone) to take AR tests, check out books, work on homework, or enjoy silent reading from 3:30 until 4:15. Please check in at the main office on October 3, 10, 17 and 31.

Reading Across Broward

Reading Across Broward is a county-wide reading motivation program. Forms are available on the school and PTA websites and in the media center. There are 2 different forms, depending on whether your child reads chapter books (generally grades 3-5) or picture books (generally grades K-2). The list should include books read between April 1, 2018 and March 31, 2019. Forms are due to Mrs. Moore by April 3rd.

Principal's Message

Greetings,

Thank you to parents, students, teachers and community members for a very successful and smooth start to the 2018-2019 school year! We are off to an amazing start. As I visit classrooms, students and teachers are working hard to ensure each student reaches their full potential. The start of the year is a great time to work on creating good study and work habits. Parents, please support teachers by ensuring students read a minimum of 20 minutes each night in addition to completing other homework. This reading time helps to develop strong literacy skills. This is also a perfect time for family reading time! Parents can read the newspaper, magazine or leisure book while your son/daughter reads as well. Then be sure to discuss what each of you is reading!

Another great resource that supports both reading & math is iReady. In addition to using this program at school, students should use iReady for at least 15 minutes at home each night. This is a great program to reinforce the work being done in the classroom and provide extra practice for students to strengthen their skills. We are off to a strong start and your support with these efforts will go a long way in helping our students achieve their best!

Thank you to all the families & community partners that attended our Title I Parent University Grades 3, 4 & 5. We truly appreciate all your support. Mark your calendars for our Barnes & Noble Night being held on Tuesday, October 30th. Please join us as we cultivate a community of readers. A percentage of proceeds from the books purchased comes back to Eisenhower to support reading programs & incentives for our students.

Please join us as a **Mystery Reader** in your child's class. Being a **Mystery Reader** will only take 15-25 minutes out of your day but will be very fulfilling to you, your child, the teacher and all the students in your child's class. Please contact your child's teacher for more details.

We have lots of opportunities for you to get involved in all the great things happening at Nova Eisenhower. Please come to one of our events or sign up to volunteer with PTA or your child's teacher! Your participation and support strengthens the home-school connection that ultimately leads to our collective success.

Mrs. Tyghter

Hello NEE Families

Our year is off to an amazing start. It is so nice to see all the students reading in the hallways before school. I am tracking all of our AR activity and so far, it looks like we are well on our way to making our goal set for this year. Please keep encouraging your children to read and take those AR quizzes! Our first AR reward will take place the first week of October.

Ms. Fischer - Literacy Coach

I just want to remind everyone that we have our Title 1 Resource Room available to you. There are books and games ready for check out. Please come in any time and let the front office know you are interested in the Title 1 Resources.

There is also a Title 1 binder in the front office containing our School Improvement Plan which also includes our School Parent and Family Engagement Plan. Please come by to read these documents to learn about how our families are included here at Nova Eisenhower.

Mark your calendars!!!! BARNES & NOBLE Night is coming up on October 30. Information will be coming out soon!

Mrs. Fischer - Title 1 Representative

VEX Robotics Club

This year, NEE is proud to announce a new robotics club. Dr. Prochaska and Dr. Cady had a great time attending training this summer and will be supervising this team and sharing what they learned. Students from 4th and 5th grade applied to be a part of this exclusive club. Students will be exploring various STEM activities, including coding and engineering. Students will use teamwork, problem-solving and leadership skills. The students are excited to learn how to build and program the robots to complete specific tasks to prepare for our district-wide competition in April.

The character education trait for the month of October is Responsibility. Responsibility is meeting obligations by being reliable, accountable, and dependable to self and others. Responsibility is essential for becoming a healthy, happy, and productive person, and it is the basis for a free and civil society where each person does what he or she is expected to do. This trait can be extended at home where children learn to take care of their belongings, clean up after themselves, do chores with a good attitude, finish their homework and resolve conflicts peacefully. During this month let's encourage all students to display responsible behavior each and every day.

Did You Know?

Did you know that Broward Schools has designated October as Diversity Awareness Month? We know that in our county, we consist a cultural and diverse student body. When we embrace diversity, we are able to have a more cohesive classroom, school and society as a whole.

Nova Eisenhower is proud to have the support of our amazing business partners within our school community. This month, our school hosted a Parent University Night that would not have been possible without the generous donations from Brightstar Credit Union, Nob Hill Chiropractic, Mass Mutual, Code Ninjas, Washington National, Holy Cross Hospital, and Heal the Planet. Our amazing partners donated monetary items, raffle prizes, gift baskets, and most importantly, their time! We are so appreciative to have such involved partners in our school and value our relationships that continue to blossom! Working together as business partners allows us to continue to provide our students with engaging experiences that build upon their educational knowledge and foundation. Nova Eisenhower is always working to build our business partner community and we are looking forward to a successful year together!
