

Dear Quiet Waters Students, Families, Teachers, and Staff,

On behalf of your PTA, we would like to welcome you to Quiet Waters Elementary School. Last year was amazing and we know this year can be even better with some great events that we have planned. We want to make sure we create as many opportunities as possible for you to be involved in your child's school.

The PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. Some of the wonderful ways we were able to give back to our teachers and students last year included:

- **Purchasing online educational programs including Spelling City, Flocabulary, Digital Coach, Reflex Math, Generation Genius and many others.**
- **Supporting our Specials Programs and Teachers with individual grade grants**
- **Providing awards and recognition to the students and teachers for various achievements throughout the year.**
- **Hosting the Holiday Shop, Scholastic Book Fair, Teacher Appreciation Week, Family Movie Night.**

Along with the wonderful ways of giving back to our students and programs, we are working towards donating back to our school so they can upgrade and build new playground areas for our students.

Become part of our team today, there is no commitment to volunteer. Just by signing up you are supporting our school, and our children.
