

Dear Quiet Waters Students, Families, Teachers, and Staff,

On behalf of your PTA, we would like to welcome you to Quiet Waters Elementary School. We are so excited that students and volunteers will be back on campus this year. We have so many wonderful events planned to help you get involved with your child's school life and look forward to you joining us.

The PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. Some of the wonderful ways we were able to give back to our teachers and students last year included:

- **Purchasing online educational programs** including Spelling City, Flocabulary, Digital Coach, Brain Pop, Generation Genius and many others to support the e-learning experience
- **Supporting our Specials Programs** with 10 new iPads for our STEM program, art supplies, and new book racks and books for all ages for our media center
- **Providing awards and recognition** to the students and teachers for various achievements throughout the year
- **Providing needed resources** such as a rainy day dismissal program that was used during this pandemic to ensure social distancing and keep our children and staff safe
- **Hosting virtual family nights** that were free to PTA members with visits from our favorite superheroes and Magician Gary Goodman

Along with the wonderful ways of giving back to our students and programs, we also focus on celebrating our amazing teachers and staff by showing our appreciation throughout the year, especially during teacher appreciation week. This year, we are working towards donating back to our school so they can upgrade and build new playground areas for our students.

Become part of our team today, there is no commitment to volunteer. Just by signing up you are supporting our school, and our children. Join us at qwe.memberhub.com or by scanning the QR Code below.
