

2015 – 2016 Yearbook Ad Sale!

Attention Glades Middle School Students, Parents, and Participating Businesses

The Glades Middle School Yearbook is offering the opportunity for you to be able to buy an ad in our yearbook for a low price. An ad allows students to stamp their presence and also allows the sponsors to show their support in the yearbook, forever reminding them of happy memories that were made at Glades Middle School. Ads come in various sizes and prices, with your option to fully customize your own. Advertisement sales will **start on November 2, 2015** and will **end on February 29, 2016**, any ads submitted after **Monday, February 29, 2016 will not be accepted.**

To purchase an ad, you will need to pay online through estore.browardschools.com. Remember to look up Glades Middle School, and there you will find a link to purchase the ad size of your choice. After you have purchased your ad, you will need to email Giana Daniels at giana.daniels@browardschools.com with the ad that you created as a picture (jpeg or gif) file. If you prefer you may also send us the picture and the words/quote that you want on the ad, and we will design it the best way possible. Please remember that anything copyrighted, as well as inappropriate pictures or words on your ad will not be published in the yearbook.
