### Principal's Message:

Happy May! We love our teachers and staff! Join us as we recognize them during Teacher & Staff Appreciation Week (May 2-6). All FSA testing is complete. Our testing was seamless and we know our students worked very hard to demonstrate their abilities. High quality instruction continues all the way through June 9th so continued hard work by students and perfect attendance in school is very important.

As a Museum Magnet School, a big component is our Museum Magnet Exhibition Nights where students act as museum docents to showcase their STEM projects. Our 4<sup>th</sup> Quarter Exhibition Nights are May 24 @ 6pm for Grade K-2 and May 25 @ 6pm for Grade 3-5. Please join us!

We're excited for our Grade 5 students traveling to Orlando for a field trip next month. We're also excited for our Grade 5 DARE Graduation & Moving Up Ceremony on June 8th. Congratulations to the April Kids of Character listed in this newsletter and Gold Honor Roll and STEM award winners recognized at a recent ceremony.

We look forward to seeing you at our upcoming Chorus & Dance Performance, STEM Museum Magnet Exhibit Nights, SAC Meeting, PTA Meeting and around the school for field trips, parent conferences and volunteering. **Information from Margate Resource Officer Lombardo: Rules and Laws for Handicapped Parking Spaces**

- Handicapped parking makes life in Florida a little less challenging for those who already face daily challenges in life. To prevent individuals from taking advantage of these opportunities for the disabled Florida has handicapped parking laws that are dictated by the Florida legislature.
- Florida state statute 316.1955 "Enforcement of parking requirements for persons who have disabilities" states: "It is unlawful for any person to stop, stand, or park a vehicle within, any such specially designated and marked parking space provided in accordance with s. 553.5041, unless such vehicle displays a parking permit issued under s. 316.1958 or s. 320.0848, or license plate issued under..."
- Florida state statute 316.1959 "Handicapped parking enforcement" states: "The provisions of handicapped parking shall be enforced by state, county, and municipal authorities in their respective jurisdictions whether on public or private property in the same manner as it is used to enforce other parking laws and ordinances by said agencies." If you illegally stop, stand, or park in a handicapped parking space you can be fined up to \$250.00. If you use the permit of a disabled friend, relative, or acquaintance you can be fined up to \$500.00 or receive six months of jail time. Please be courteous of others. Do not stop, stand, or park in a handicapped parking spot unless you have a permit for your vehicle, and remember to display your permit in a visible location.
