

Dear Parent/Guardian,

We are excited to announce that Broward County Public Schools is adopting the CareDox Electronic Health Records system. CareDox which will serve as a tool for parents/guardians to interact online with healthcare personnel at their child's school in consultation with their health care needs.

CareDox Benefits:

The benefits of CareDox include:

- Provide medical information electronically between parents/guardians, healthcare personnel and school staff
- Provide timely notifications when your child visits the healthcare personnel's office
- Provide updated health information that is readily available to your child's school

For more information on how CareDox helps schools and for parent's frequently asked questions, you may visit: www.caredox.com/schools and www.caredox.com/category-faq/parents.

Broward Parent Enrollment Process:

Enrolling in the CareDox Parent Portal will be the fastest and most secure way for parents to provide annual up-to-date health information to your child's school. The parent enrollment process, which will happen through the CareDox Parent Portal, is outlined below.

- You will be receiving an email communication from CareDox for health enrollment
 - If you have not provided your student(s) school with an email address, please do so as soon as possible.
- The health enrollment email will contain a unique link to your child's health profile.
- When you open the link you will be prompted to create an account and complete annual health related questions that pertain to your child.
- Completion of the health form will take 5-30 minutes.
- If you have any questions during the enrollment process, please contact support@caredox.com.

Sincerely,

Principal

Estimado padre de familia o tutor:

Tenemos el placer de anunciarle que las Escuelas Públicas del Condado de Broward están adoptando un nuevo sistema de registro de salud: *CareDox Electronic Health Records*. El sistema CareDox será una herramienta útil para los padres y tutores ya que podrán interactuar en línea con el personal del cuidado de la salud en la escuela de sus hijos para atender sus necesidades médicas.

Los beneficios de CareDox

Incluyen:

- Intercambiar información médica de manera electrónica entre padres/tutores, personal del cuidado de la salud y empleados de la escuela.
- Proporcionar avisos precisos cuando su hijo(a) visita el consultorio del personal del cuidado de la salud.
- Proporcionar información actualizada de la salud del estudiante que está a la inmediata disposición de la escuela de su hijo(a).

Para leer las preguntas más frecuentes de los padres y para mayor información sobre cómo CareDox ayuda a las escuelas, visite: www.caredox.com/schools y www.caredox.com/category-faq/parents.

Proceso de inscripción para los padres de Broward

La inscripción al Portal de Padres de CareDox les brindará una forma más rápida y segura de proporcionar la información anual y actualizada de la salud de sus hijos a sus respectivas escuelas. Este proceso de inscripción, que se realizará a través del Portal de Padres de CareDox, será de la siguiente manera:

- Usted recibirá un correo electrónico de CareDox con más información para la inscripción.
 - En caso de no haber dado un correo electrónico a la escuela de su hijo(a), por favor hágalo lo más pronto posible.
- El correo electrónico con la información para la inscripción tendrá un enlace específico al cuestionario de salud de su hijo(a).
- Cuando abra el enlace se le pedirá crear una cuenta y responder preguntas relacionadas a la salud de su hijo(a) del último año.
- Le tomará de 5 a 30 minutos completar el formulario de salud.
- En caso de tener alguna pregunta durante el proceso de inscripción, por favor escriba a support@caredox.com.

Atentamente,

Director(a)

CareDox FAQs

1. What is CareDox?

CareDox is a comprehensive digital health platform for K-12 schools. We help school health personnel deliver care, keep students safe and connect with parents.

2. Who has access to this information?

CareDox is a digital version of the school's previous health info system. Access to various pieces of information will be restricted to school staff in charge of your child's health care and CareDox personnel that manage the electronic health care system.

3. Does CareDox share health record data?

No. We never share identifiable information about any districts, schools, health personnel, faculty, students, or parents on the CareDox platform without your parental consent.

4. How will the use of CareDox benefit me as a parent/guardian?

CareDox serves as a tool for parent and student engagement by allowing them to interact with healthcare personnel at their child's school in consultation with their health care needs. Using CareDox also makes it easier for school health personnel to manage the health care of your child.

5. Is student digital information safe?

Digital health information is accessible only to those who have the right to access it, pursuant to federal and state law, or with your prior consent. Each record access is tracked and logged in real time. Parents are notified immediately of changes, medication refill needs and incidents of their children visiting the health office.
