

Riverglades Elementary School
School Advisory Forum
September 30, 2024

Welcome/Pledge: A meeting of the Riverglades Elementary School Advisory Forum was called to order by Stephanie Rodriguez at 9:20am. Secretary Kathleen Judd recorded the minutes. Attendance attached.

SAF/SAC Members: Principal- Mrs. Seltzer; SAC Chair- Stephanie Rodriguez; SAC Secretary- Kathleen Judd; BTU Steward- Traci McAllister; Non-Instructional- Laura Just; SAF Designee/I-Zone Representative- Shasha Hilbon, Danielle Hoffman; Community Representative- Danielle Wolf; Business Partner- Michael Goldberg; ESOL- Rafael Valls; ESE- Jennifer Sainato; PreK- Ana Aoun and Yailen Cenlo; Parents- Carla Sanchez-Anderson, Nicolette MczMiled, Trisha Feldman, Maria Jewell, and Jen Solf.

Minutes: Rodriguez sent via email and summarized the August 26, 2024 minutes. Shasha Hilbon made a motion to approve. Jen Sainato seconded the motion. Motion outcome: the minutes from August 26, 2024, were approved.

SAF Chair Report: Shasha Hilbon handed out detailed notes from the North Advisory Council (attached). Some highlights from the meeting- FOCUS- most seem to be struggling with the ESE component of it. School choice deadline did not go through- board decided to push it back. Funding/paying to high school athletes. County is working with policies to ensure this can be successful and ways to educate the parents. Testing- students feeling stressed because of all the testing. Discussed ways to promote positive testing culture so the stress isn't as high. Moving iReady to middle and possibly high school. Cell phones- do not post things that are against policies- be mindful that what you post will be seen and consequences will be made. Reproductive Health & Disease Prevention Education- The state gave them verbal feedback and approval in early August BUT on August 21, 2024, the state did a full review and gave them edits on a lot of the curriculum. Changes were made and submitted. Waiting on next steps. Parents discussed how they were able to review the curriculum but could not access the videos. Bullying- students who go through the Behavior Threat Assessment and are confirmed to be thought as bullying someone, they will be removed from campus. They will go through a 45 or more-day evaluation off campus. Cell phones- still advocating for having them during lunch time. Ballot for November- expanding the site for auditor. Voting yes will expand and change the auditing process. Voting no would keep the operations the same.

PTA Report: Maria Jewell reported Hispanic Heritage night was a huge success. Over 500 attendees. Meet the masters was incorporated into one of the countries. Ice Cream Wednesdays are back- PTA volunteers assist- \$1 for students to purchase ice cream. A lot of volunteer opportunities. PTA.com/volunteer. Farmer J came September 19 with Kindergarten and 1st grade. Will continue October 17, Nov 14, and December 12. Financial update- PTA has assisted with academic funding over \$42,000. School wide initiatives, just under \$12,000. Working on key project- replacing flooring on playground. Working with Broward \$100,000 to replace both flooring. More info coming soon. Phased project because of 2 playgrounds. Funds raised from fun run will be our main source of income for this project. We are at 79% goal- almost \$63,915 raised. Our goal is \$80,000. Due to hurricane, the fun run dates are to be determined. Schedule coming soon. STEM night October 10 and Boo Bash October 18- tickets on sale. Outreach collecting Halloween costumes starting tomorrow Oct 1 until October 9. Costumes go to Parkridge, our sister school. Book Fair October 15-21 and open during boo bash. School pictures,

Munoz company, will be emailing all those who did not order. Yearbook presales are on sale during this time. Flyers going home soon.

Safety/SRO Report: Officer Wolf reported they are reminding parents/families about traffic procedures. Hopeful that these reminders and tickets will help with traffic flow and following the rules.

Principal Report: Lynnel Joseph reported that we are analyzing the iReady and PM1 data. This is baseline data. The data will be used to inform instruction. Progress Learning is a science program that students are assessed and then they are on a personalized pathway. The teacher can pick what strand to put them on but as they take mini assessments, they are on a certain path. 30 minutes a day, once a week. The office of safe schools came out and walked around the campus to ensure we are being safe and following procedures. We passed with flying colors. They will be monitoring the SAFE team certificates.

Questions, concerns, ideas: Are the scores for PM1 only located in FOCUS or will parents get a letter? There are some parent reports that can be sent home or discussed at conferences, but you can check on Focus.

Motion to adjourn Laura Just made a motion to adjourn. Meeting adjourned at 9:48am.
