PEACEBREAKERS VS. PEACEMAKERS

Peacebreakers

are people who...

do **NOT** listen
 are mean to others
 yell and scream
 hit and kick
 are selfish
 cut in line
 pretend they **can't**
 don't care
 make messes
 write on their desks

LIE

don't follow the rules

are jealous
say naughty words

talk in the hallway

interrupt in class

pick their noses

Peacemakers

are people who...

are **kind and compassionate**
 Help others
 use great manners
 wait their turn
 do what they're asked
 raise their hands
 take care of books

SHARE

fill other people's buckets

tell the truth

Listen to the teacher

follow the **Rules**

talk quietly

clean up without being asked
