

Childcare Services FAQ for Parents and Guardians

Are childcare services available?

Yes. BCPS has worked with its partners to secure childcare services throughout the District. See a list of [service providers](#) along with an interactive map to help you find your nearest provider. As a reminder, this list does not imply a recommendation or endorsement of these services by BCPS.

How do I register my child for childcare services?

If you are interested in registering your child for before and/or after care, you may do so online by visiting: <http://www.basccbroward.com>

Childcare registration opens September 29, 2020.

We are accepting online only applications to ensure compliance with CDC physical distancing recommendations. Before and/or after care space is limited. When registering you must include an email address, and you will receive an application number.

If you are interested in using an off-site location, a map and list of daycare providers and learning pods, along with contact information may be found by visiting: <http://www.basccbroward.com> The list does not imply a recommendation or endorsement services by BCPS.
