Message from Administration:

Happy January and Happy New Year! Our teachers and staff are hard at work with a focus on high quality teaching, interventions for students and enrichment to extend the curriculum. Our teachers and staff continue to complete staff development in reading, math, writing, equity and library resources. Be sure to conference with your child’s teacher and maintain ongoing communication for academic and social updates.

We’ve started after school ELO and LEC tutoring program for selected Grade K-5 students to boost learning prior to FSA and end of the year testing.

BSA Testing has started for Grade 3-5 students and provides valuable results on academic strengths and opportunities for improvement in reading, math and science. Contact your child’s teacher after testing to discuss BSA results. Arriving to school on time with a healthy breakfast is recommended during testing days.

We look forward to seeing you at our upcoming partners in education events, SAC Meetings, PTA events and around the school for parent conferences and volunteering. Be sure to visit our website: meadowbrook.browardschools.com and follow us on Twitter at @MBE_Eagles & @MeadowbrookElem.

-David J. Levine, Principal
