April/May 2022

Principal Crowle's Corner.....

Dear Morrow Patriot Families,

As we continue “*Learning and Accelerating to Excellence!*” we are closely monitoring our student achievement data. We are seeing many areas of growth, of which we are immensely proud. We also notice that there are areas where improvements are needed. During the month of March and April, your children completed midyear assessments for Reading, Math, and Science. As always, please ensure they are getting enough sleep and arriving at school on time. Please have discussions with your children about the importance of giving their best effort in the classroom and on assessments as we utilize the information gathered from the data to develop instructional plans for our scholars.

We are proud of the effort our Patriot Scholars put into their Middle of Year Assessments and all the growth they are showing. Our Scholars will be starting their standardized assessments in May, so please mark your calendar with the dates included in this letter. We also ask you to ensure that your child is getting adequate rest and is arriving at school on time so that they are well prepared to put forth their best effort on these assessments. The results of the assessments are utilized as the promotion criteria.

We would like to thank those of you who continue to participate in our family events. It was amazing seeing so many of our families present to participate in our curriculum nights. We will continue to provide opportunities for you to be involved here at the school, and we highly encourage you to join us. Your involvement is essential for the success of your children!

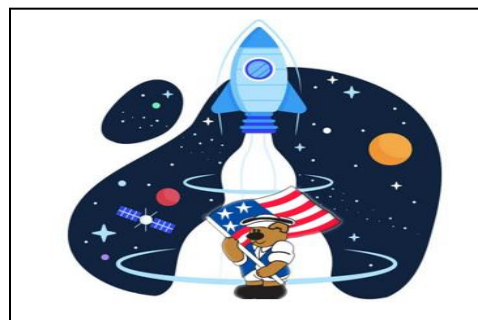

Parents and Guardians, we are asking for your assistance to help your child succeed in school by ensuring that they are attending school regularly and arriving on time. Start building this habit in elementary school so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college. When students arrive to school late and/or leave prior to our regular dismissal it disrupts the learning environment as a staff member must leave their regular assignment to escort your child to or from class. Please plan appointments after school hours. Students cannot be released after 1:30 p.m. for early dismissal. Identification is required when picking up students prior to regular dismissal.

Your feedback is something we truly value here at Morrow. Our Stakeholder Survey is now available for you to take, and it will provide us with ways we can improve. It can be accessed by going to our school website at <https://www.browardschools.com/morrow>, and clicking on the Parent Survey link. Please do this as soon as possible because it will only be available in April. Please review the SAC Agenda for April 26, 2022, below and plan to attend.

Thank you again for all that you are doing at home to support our Scholars. Please do not hesitate to contact me if you have any questions, suggestions, or concerns.

Educationally yours,
Dr. Crowle, Principal

IMPORTANT DATES

4/26	SAC/SAF Meeting @5:30pm
4/28	Take Your Daughters and Sons to Work Day
5/3	4 th Quarter Interims Issued
5/4-5/5	FSA ELA Grades 4-5
