

PALM COVE ELEMENTARY

PEACE WEEK & START WITH HELLO WEEK September 19-23

"Build Peace. Grow Positive Norms"

9/19 - Meet and Greet Monday

Students are encouraged to truly "see" a new student by starting with a friendly "hello" as a warm welcome to the school community. Encourage students to invite other students to join them at lunch or recess this week.

9/20 - Shake it Up Tuesday

Test out a fun, new "Hello Style" with someone on a different grade-level that you don't typically get to interact with. Hello Styles will be shared on the morning announcements.

9/21 - Wear Green Wednesday

Students and staff are encouraged to wear green for hope, love, peace and to uncover the positive in our schools and communities.

9/22 - Chalk it Up Thursday

Students will be provided chalk during recess time and are encouraged to decorate the paved walkway with messages of hope, love, and peace.

9/23 - Peaceful Friday

As a class, complete a PEACE acrostic poem using different words that represent peace to you.
