MIRROR LAKE ELEMENTARY'S MENTORSHIP PROGRAMS

"BREAKING THE NEGATIVE CYCLE"

iCON (I Can Overcome Negativity)

Thank You for Making A Difference

MENTOR LEADERS: MR. HERNANDEZ, MS. CUTRONE, MS. WILSON AND MS. JOHNSON

The purpose of the programs is to plant seeds of good self-esteem, give a positive outlook on life, and build character in our students. We also want to mentor our students so that they develop positive social awareness and feel empowered as productive citizens in our society.

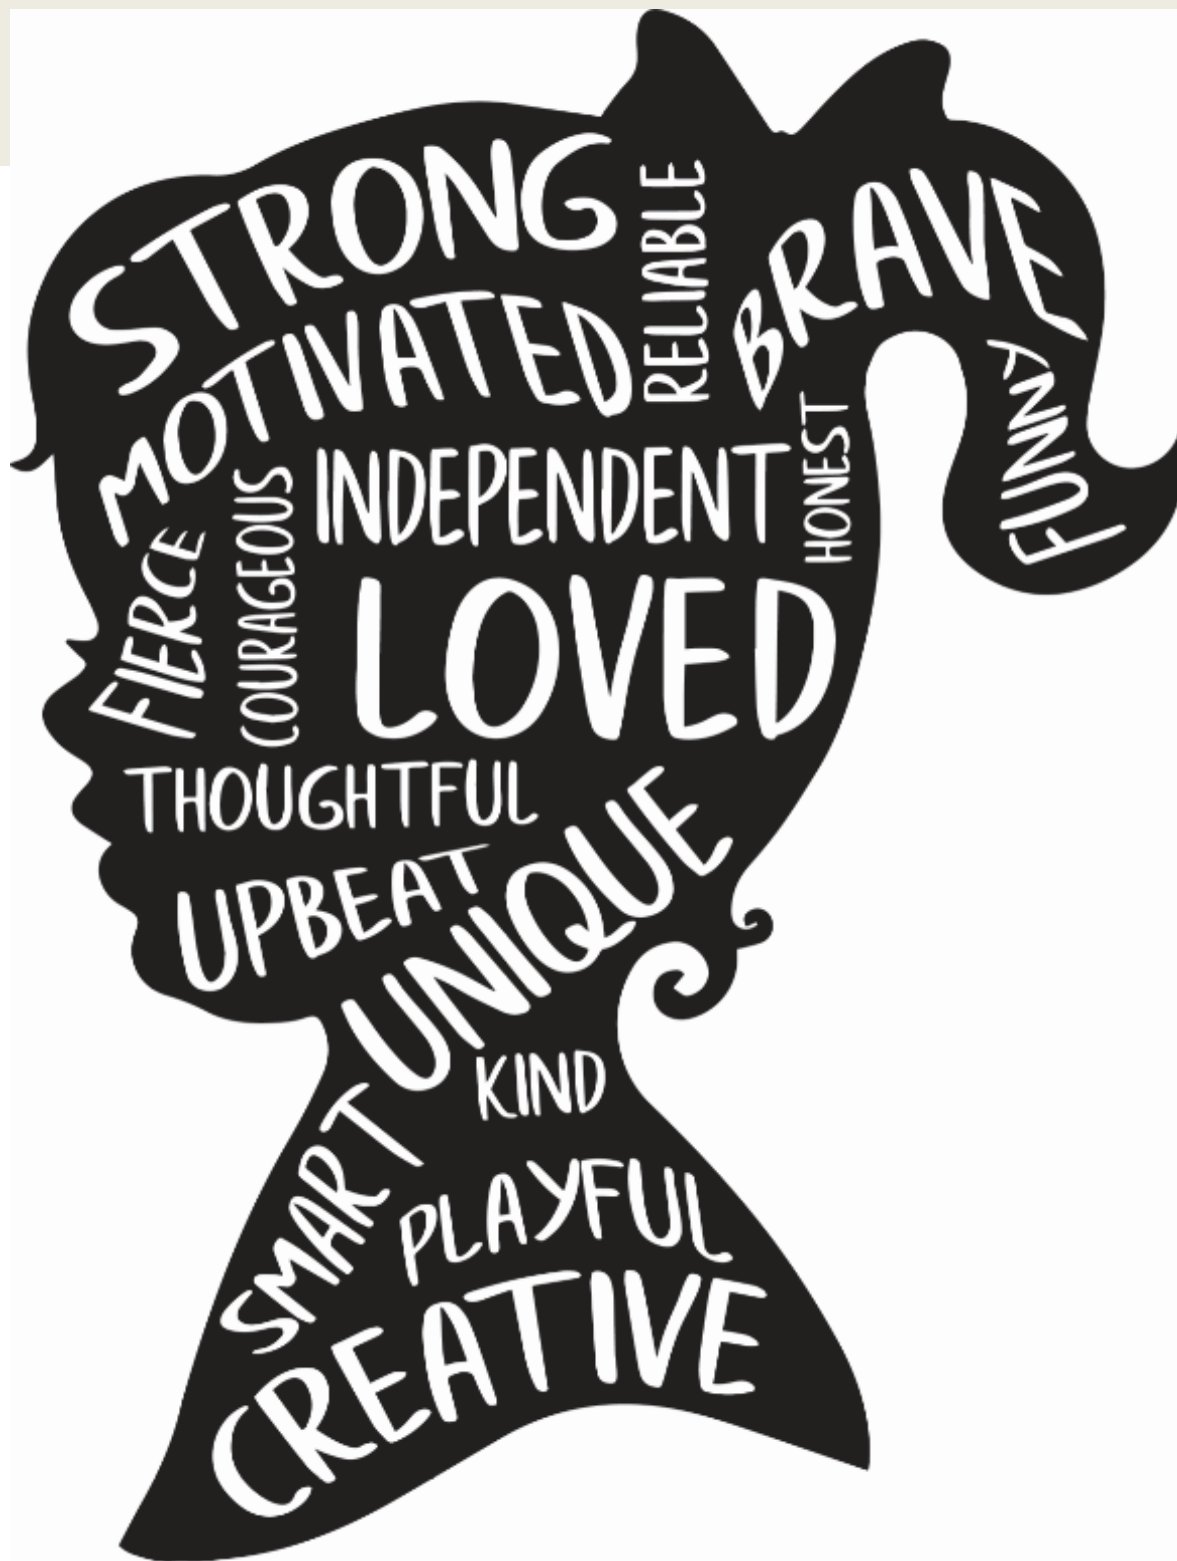

Monthly meetings will consist of discussions, guest speakers, activities, and updates to goals that we set for each child. We will also include specific topics regarding what young men and aldiies they are currently dealing with in our society.

Members are required to dress up on the days of the meetings in business world attire.

TOGETHER WE ARE MAKING A DIFFERENCE!

WE ARE RESCHEDULING OUR 50th ANNIVERSARY TO NOVEMBER 1st!

F.I.E.R.C.E. (Fun, Intelligent, Energetic, Responsible, Caring, and Empowered) Girls Program.

CONGRATULATIONS!

MIRROR LAKE ELEMENTARY'S INSTRUCTIONAL AND NON-INSTRUCTIONAL EMPLOYEES OF THE YEAR!

Ms. Vonnoh is a specialized program (ASD) teacher who is extremely dedicated to the well being and education of her students. Her enthusiasm permeates in everything she does. Her patience and calmness are infused throughout her day. Thus, maintaining a positive culture in her classroom. However, some of her best characteristics are her positive

disposition and heartwarming smile.

Ms. Smith is our media clerk who goes above and beyond the call of duty every day. She arrives early simply to allow students to come to the media center to access technology and books. She is everyone's grandmother. Ms. Smith is the most caring, loving, and devoted individual you will encounter. She is truly one of a kind!

Please join me in congratulating these two most deserving MLE staff members!
