

# **North Andrews Gardens Elementary School**

## **Visual and Performing Arts Magnet**

The Broward County Public School District is a nationally recognized leader in the quality and diversity of education it offers students. We attract students by offering unique opportunities for in-depth experiences. North Andrews Gardens Elementary School is a Visual and Performing Arts Magnet School for the Fine Arts. The fine arts disciplines taught are Show Choir, Band, Drawing, Painting, Collage, Ceramics, Sculpture, Design, Strings Orchestra, and Theatre/Drama. The magnet program offers students a variety of specialized classes in an extended school day.

- ✓ Students in the primary grades (Kindergarten – 2<sup>nd</sup> Grade) take part in an exposure program that affords them the opportunity to experience **ALL** of the fine arts disciplines.
- ✓ Intermediate level students are able to decide their individual area of focus (Grades 3 – 5). During focus they are afforded the opportunity to perform and exhibit their talents throughout the campus, community, county, state, and country.
