Pop-up Blockers

- Most computers will automatically block Riverdeep pop-ups, returning you to the log in screen again and again.
- To temporally allow pop-ups – hold down the **Ctrl** key before clicking on **Log In**.
- To always allow Riverdeep pop-ups, you will only need to do this once.
    1. Open Internet Explorer, click on **Tools** on the top toolbar
    2. Choose **Pop-up Blocker**
    3. Select **Pop-up Blocker Settings**
    4. In the **Address of We̲b site to allow** box, type **riverdeeplms4.broward.k12.fl.us**
    5. Click **Add**
    6. Click **Close**

Plug-Ins

- Riverdeep requires Macromedia Flash Player and Shockwave Player. Most of these programs are already on your computer. But, if need to install them, you may download them from the Riverdeep log in screen.
- Click the first button on the top of the log in screen, **Resources**, then select **Plugins**
